STRENGTHS

- ♥ **Student Service**
Turned complex application questions into clear next steps, and students often returned for practical guidance.
- 📅 **Program Logistics**
Kept calendars, itineraries, records, and partner details aligned during busy cycles, even when priorities shifted.
- ✓ **Data Accuracy**
Used validation checks and record research before updates moved forward, making databases more dependable for staff.
- ♥ **Financial Coordination**
Reconciled supporting documents with approved budgets, giving reviewers a cleaner path through program expenses.
- 💬 **Partner Communication**
Documented international requests and action items carefully, helping colleagues respond with context instead of guesswork.

SKILLS

- Program Coordination
- Study Abroad Operations
- Student Services
- Program Logistics Terra Dotta
- Workday Finance Microsoft Excel
- Microsoft Outlook
- Database Management Data Entry

SUMMARY

Academic program specialist with three years supporting **higher education**, global learning, student services, and travel based academic programs. Coordinates calendars, applications, records, communications, partner relationships, financial documentation, and logistics across overlapping program cycles. Uses Terra Dotta, **Workday Finance**, **Microsoft Excel**, **Microsoft Outlook**, databases, and website systems to keep information accurate and accessible. Provides responsive service to students, faculty, domestic partners, and international university contacts, resolving questions through careful research and documented follow through. Builds practical trackers that clarify enrollment, travel documents, payment status, and deadlines. Communicates policy and schedule changes in clear language while balancing fluctuating workloads. Background combines direct student support with independent ownership of operational details, data quality, transaction preparation, and program coordination. Ready to contribute reliable organization, sound judgment, and thoughtful service within a collaborative academic programs team.

EXPERIENCE

Academic Program Coordinator

Harborview University 📅 July 2025 - Present 📍 Long Beach, CA

Coordinates semester and summer global learning programs serving approximately 180 students annually. Owns calendars, Terra Dotta records, partner communications, Workday Finance documentation, Excel tracking, website updates, and **student service** workflows. Supports accurate decisions by organizing operational data and following each issue through resolution.

- Coordinated semester and summer programs for approximately 180 students using calendars, milestones, records, and partner **communications**.
- Managed **Terra Dotta** applications and documents, resolving incomplete **records** before student and program deadlines.
- Processed **Workday Finance** expenses and supplier documents, reconciling records against approved budgets before review.
- Built Excel trackers for enrollment, travel documents, payment status, and overlapping operational deadlines.
- Prepared Outlook messages and website updates covering applications, orientation, travel requirements, and schedule changes.
- Resolved student and partner questions through record research, cross functional coordination, and documented follow through.

Global Programs Assistant

Coastal Metropolitan College 📅 September 2023 - June 2025 📍 Torrance, CA

Supported faculty led and exchange programs through organized records, orientation materials, itineraries, rosters, partner coordination, financial preparation, **student service**, database maintenance, and approved website publishing. Managed recurring administrative details with careful validation and timely escalation of policy exceptions.

- Organized application records, orientation materials, itineraries, rosters, and recurring **communications** for faculty led programs.
- Maintained program **databases** and completed high volume **data entry** with validation checks across active programs.
- Coordinated international partner requests, documented action items, and escalated policy exceptions through proper channels.
- Prepared invoices, financial documentation, and Excel expense summaries for staff review and program reconciliation.
- Answered student questions about applications, timelines, required documents, and university resources with clear guidance.
- Updated approved **website content** and shared materials, keeping published information aligned with current procedures.

MY CAREER

● Academic Program Coordinator at Harborview University (1.2 Years)

● Global Programs Assistant at Coastal Metropolitan College (1.8 Years)

PROJECTS

Global Program Operations Dashboard 📅 2025

Created a practical Excel dashboard that brought enrollment, document status, payments, and deadlines into one view. Building it clarified daily priorities and gave program staff a calmer way to spot follow up needs before students were affected.

International Partner Communications Toolkit 📅 2024

Developed organized communication resources for student and partner questions about applications, timelines, documents, and travel preparation. Clear templates helped turn recurring questions into consistent service and gave each conversation a useful next step.

LEADERSHIP & AWARDS

- Received Harborview University recognition for dependable coordination of global learning operations in 2026.
- Earned Coastal Metropolitan College staff appreciation for accurate records and responsive student service in 2025.
- Selected by program colleagues to support cross team coordination during overlapping global program deadlines.

EDUCATION

Bachelor's Degree in International Studies

California State University, Long Beach 🎓 GPA: 3.8 📅 2023 📍 Long Beach, CA

Coursework: Global education, intercultural communication, international relations, program management
