STRENGTHS

- 📦 **Complex Account Ownership**
Managed demanding multi modal accounts through fact based decisions, clear records, and steady client communication during difficult cases.
- ♥ **Commercial Judgment**
Turned pricing limits, market context, and operational risk into practical recommendations. Client discussions became clearer and more productive.
- 👥 **Cross Functional Delivery**
Connected operations, pricing, procurement, product, and sales partners around customer needs. Shared decisions kept work moving.
- 🎓 **Peer Coaching**
Case reviews and client call preparation gave junior teammates useful guidance. Colleagues returned for help with tough conversations.
- 📌 **Compliance Focus**
Built documentation and checklists into recurring workflows. That simple habit supported sound judgment and more consistent service.

Cross Sell Upsell Pricing

Procurement Compliance

SUMMARY

Strategic account executive with more than six years of client facing experience across international logistics, freight forwarding, and complex **supply chain** services. Manages **multi modal** books of business covering **ocean**, air, **trucking**, and customs while balancing revenue growth, retention, service quality, and regulatory compliance. Leads RFPs, renewals, QBRs, and MBRs with practical recommendations grounded in trade lane performance, market conditions, pricing constraints, and operational risk. Coordinates operations, pricing, procurement, product, and sales partners on demanding customer solutions. Builds repeatable playbooks, documents decisions, and coaches junior account executives through discovery, account planning, onboarding, and high stakes client conversations. Brings independent judgment, commercial focus, and a clear service mindset to complex accounts, helping organizations improve supply chain performance and long term customer value.

EXPERIENCE

Senior Account Executive, Global Logistics

BlueWave Logistics Partners 📅 July 2023 - Present 📍 Long Beach, California

Owns complex multi modal accounts across international logistics, coordinating growth planning, service requirements, compliance decisions, and specialist support. Coaches peers through account reviews while converting lessons learned into practical workflows and client guidance.

- Mapped ocean, **air**, **trucking**, and **customs** needs for account growth plans and clearer service scope.
- Resolved complex logistics cases through fact gathering, option review, and specialist coordination for dependable client outcomes.
- Translated trade lane conditions and operational risks into practical **recommendations** for executive customer discussions.
- Converted recurring account lessons into checklists that improved workflow consistency and **compliance** documentation.
- Coached junior account executives through case reviews, **client calls**, and repeatable account planning playbooks.
- Supported cross functional growth decisions with **operations**, pricing, procurement, product, and sales stakeholders.

Account Executive, Global Logistics

Pacific Meridian Freight 📅 June 2020 - June 2023 📍 Torrance, California

Managed RFPs, **renewals**, and business reviews for complex logistics accounts, connecting customer requirements with pricing, operations, compliance, and growth opportunities. Maintained clear decisions and repeatable guidance across recurring commercial work.

- Led RFP preparation by defining customer requirements, service scope, pricing inputs, and compliance considerations.
- Prepared renewal recommendations from account performance, operational constraints, **market context**, and client priorities.
- Presented QBR and MBR findings with clear next steps for service quality and account **retention**.
- Coordinated operations, **pricing**, **procurement**, product, and sales teams around complex customer solutions.
- Documented decisions and repeatable guidance, giving account teams a clearer path through recurring work.
- Supported peer development through case reviews, **coaching** conversations, and consistent professional standards.

Client Success Specialist, International Logistics

Coastal Route Solutions 📅 June 2018 - May 2020 📍 San Pedro, California

MY CAREER

● Senior Account Executive, Global Logistics at BlueWave Logistics Partners (3.2 Years)

● Account Executive, Global Logistics at Pacific Meridian Freight (3 Years)

● Client Success Specialist, International Logistics at Coastal Route Solutions (1.9 Years)

Supported international logistics clients through service coordination, issue resolution, compliance focused documentation, and practical recommendations. Built early **account management** experience by gathering facts, coordinating specialists, and improving recurring client workflows.

- Established client requirements for international **logistics** services using documented procedures and service expectations.
- Investigated complex client issues by gathering facts and coordinating appropriate internal specialists.
- Communicated practical recommendations that clarified next steps for customers and operational stakeholders.
- Improved recurring client workflows by turning lessons learned into accessible checklists and guidance.
- Maintained accurate records supporting sound judgment, compliance awareness, and dependable customer follow through.
- Contributed to peer learning through case reviews, coaching support, and shared service standards.

PROJECTS

Multimodal Account Growth Playbook 📅 2024

Created practical account planning guidance for ocean, air, trucking, and customs conversations, helping teams connect service requirements with growth opportunities and consistent follow through.

Client Review Operating Guide 📅 2023

Structured repeatable preparation for QBRs and MBRs, linking trade lane performance, market context, operational risks, and customer recommendations in one clear workflow.

LEADERSHIP & AWARDS

- Recognized by account leadership for dependable handling of complex multi modal customer situations.
- Selected to support peer coaching through case reviews, client call preparation, and practical playbooks.
- Trusted with recurring workflow improvements that strengthened documentation and compliance awareness.
