EXPERIENCE

Accounting Intern

January 2026 - Present

University Project

Boston, MA

Educated and grown through collaboration on analyzing financial statements for local hotel operations. Engaged in developing critical mock budgets to simulate real-world scenarios, addressing departmental needs over projected revenues. Invaluable insights gained contribute to foundational hospitality knowledge, essential for future career endeavors. Active participation in research fosters growth in understanding the integration of finance with service quality aspects across hotels.

- Collaborated with team members to evaluate financial statements, pinpointing potential cost-saving opportunities crucial for hotel sustainability.
- Developed a comprehensive mock budget incorporating various departmental requests and revenue forecasts for realistic financial planning.
- Participated actively in hospitality management training, acquiring skills necessary for successful hotel operations delivering exceptional guest service.
- Supported faculty research focused on finance's influence on service quality and customer satisfaction in luxury hotels.
- Created presentations outlining financial findings allowing for deeper engagement during class discussions, enhancing collective learning.
- Gleaned essential knowledge regarding the synergy between finance and operations in hospitality as preparation for professional roles.

Finance Research Assistant

September 2025 - December 2025

University Project

Boston, MA

Worked closely under faculty mentorship, focusing on identifying trends within financial practices unique to the hospitality sector. Contributed key insights derived from industry-related data impacting operational decisions and long-term strategies for hotel improvements. Enhanced communication and analytical skills emerged through collaborative project efforts, targeting efficacy and resource allocation in hotel finance.

- Conducted detailed research into financial trends affecting the hospitality industry, reviewing costs and profit margins to inform strategic initiatives.

- Analyzed comprehensive data sets from industry reports enriching a collaborative faculty-led project on optimizing revenue management approaches.
- Assisted in preparing educational research papers ensuring adherence to high academic standards to expand personal writing capabilities.
- Partnered with peers to deliver findings at an academic conference, effectively showcasing focuses on financial efficiency within the hotel space.
- Actively participated in discussions surrounding applicable financial theories in real-world scenarios specific to hospitality dynamics.
- Availing of numerous opportunities to develop actionable recommendations aimed at improving financial practices within hotel management frameworks.
