SUMMARY

Detail-oriented accounting professional with hands-on experience in billing and financial reporting. Proven ability to manage data entry and customer relations while ensuring compliance with critical regulations. Demonstrated conflict-resolution skills through effective dispute management and proactive communication with clients. Committed to maintaining accuracy in all billing processes, supported by practical expertise in compiling revenue reports, processing invoices, and enhancing satisfaction across teams. Eager to take on new challenges and contribute positively as a part of an innovative company.

EXPERIENCE

Billing Associate

GreenTech Solutions 📅 January 2025 - Present 📍 Denver, CO

Managed daily billing operations for a diverse range of client accounts, providing comprehensive support in invoicing and financial reporting processes.

- Oversaw vital billing processes for numerous clients, ensuring accurate invoice delivery and timely payments.
- Compiled monthly revenue reports that contributed significantly to financial forecasting efforts and budget planning.
- Collaborated closely with other departments, successfully resolving billing disputes that enhanced overall customer satisfaction.
- Processed intricate adjustments and refunds efficiently, improving cash flow management and positive client experiences.
- Ensured strict adherence to SOX regulations throughout all billing cycles and internal reporting procedures.
- Executed daily reconciliations of billing transactions, confirming the fidelity of records and bolstering transaction integrity.

Accounting Intern

BlueSky Enterprises 📅 June 2024 - December 2024 📍 Denver, CO

Assisted seasoned accountants with crucial tasks related to invoice preparation and management, driving improvements in efficiency within billing processes.

- Helped in swiftly preparing invoices and producing billing reports that enhanced operational workflows.
- Proactively resolved various customer inquiries on billing issues, fostering improved trust and loyalty among clientele.
- Conducted thorough research on discrepancies within billing documents, collaborating earnestly with senior accountants to innovate solutions.
- Participated actively in month-end closing activities, assisting in precise recording of all financial transactions involved.
- Learned and developed proficiency in utilizing MAS and PMT systems for effective financial data management.
- Contributed meaningfully to the establishment of standard operating procedures focussing on billing reliability and regulatory compliance.
