SUMMARY

Detail-oriented Accounting Manager with over 4 years in Client Accounting Services, focusing on team leadership and operational efficiency. Proven ability to manage accounting teams while upholding high standards of confidentiality and developing client relationships within the hospitality industry. Skilled in QuickBooks Online, streamlining financial processes, and improving accuracy. Strong communication abilities facilitate effective client interactions through email and video conferencing. Committed to promoting a collaborative work environment, motivating teams towards excellence, and delivering exceptional service that helps clients achieve financial success.

EXPERIENCE

Accounting Manager January 2024 - Present
Fintech Solutions Champaign, IL

- Accounted for extensive oversight of daily operations, leading a team of 10 accountants and bookkeepers. Spearheaded training programs that improved proficiency in QuickBooks Online, essential for improving efficiency and accuracy across accounting practices.
- Implemented integrations of new automation tools that increased operational efficiency.
 - Conducted regular reviews of financial documents, ensuring compliance with company protocols.
 - Fostered strong client relationships through consistent communication and support via digital platforms.
 - Streamlined payroll processes, cutting down errors by optimizing verification methods.
 - Created strategies for operational benchmarks that improved team productivity and accountability.
 - Mentored staff, facilitating an environment of continuous learning and performance improvement.

Senior Accountant June 2021 - December 2023
Accounting Innovations Peoria, IL

- Managed multiple facets of accounts, contributing to better service quality and timely reporting. In a role requiring critical thinking, ensured every department aligned with organizational goals through financial accuracy and client communications.
- Overhauled accounts payable processes, enhancing accuracy in vendor invoicing management.
 - Prepared monthly financial reconciliations to present insightful reports for management.
 - Trained junior accountants, thereby improving the overall team grasp of stringent accounting practices.
 - Identified and executed procedural improvements that elevated service delivery significantly.
 - Key participant in preparing necessary documentation for year-end audits ensuring thorough compliance.
 - Initiated stakeholders meetings focused on achieving the profitability targets effectively.

Junior Accountant March 2020 - May 2021
Precision Accounting Services Normal, IL

- Supported senior accountants in maintaining accurate financial records while working closely with clients. Enhanced their practical skills in one-on-one settings, advocating for teamwork in dynamic project environments.
- Assisted in the payroll process by verifying timesheets, helping maintain scheduled wage payments.
 - Gained hands-on experience with QuickBooks Online, elevating the team's financial reporting capabilities.
 - Contributed proactively to tax filing preparations under mentorship from seasoned professionals.
 - Participated actively in monthly review discussions to communicate ongoing projects' progress.
 - Engaged in continued education focused on regulatory changes affecting accounting practices.
 - Encouraged open feedback sessions fostering team cohesion and shared growth objectives.
