## SUMMARY

Detail-oriented Accounts Payable Analyst with four years of experience in the manufacturing sector. Specializing in data entry and vendor invoice processing through ERP systems, focusing on accuracy and compliance. Demonstrated ability to analyze discrepancies, resolve vendor concerns, and ensure adherence to procurement policies. Proven track record of enhancing efficiency in invoice processing by implementing Optical Character Recognition technology. Strong commitment to nurturing positive relationships with vendors and internal stakeholders, contributing to overall business operations success. Eager to leverage skills in a new environment to foster growth and collaboration.

## EXPERIENCE

### Accounts Payable Analyst

June 2022 - Present

Lakeside Manufacturing, Inc.

Chicago, IL

Currently managing vendor invoice processes within an ERP system for Lakeside Manufacturing. Focused on ensuring payments are accurate, authorized, and processed efficiently while maintaining strong cross-departmental collaborations.

- Facilitated payment of vendor invoices through comprehensive data entry into ERP systems, guaranteeing proper authorization and accuracy.
- Utilized OCR technology for invoice processing, promptly managing exceptions to maintain smooth operational workflows.
- Investigated discrepancies in the Procure to Pay Cycle, collaborating across multiple business areas to identify root causes and implement effective solutions.
- Conducted regular reconciliations of vendor statements, ensuring accurate account information and timely updates.
- Prepared detailed analyses of vendor payments and ad-hoc reports, offering management insights that informed strategic decisions.
- Maintained compliance with Purchasing and Accounts Payable policies, identifying and reporting inconsistencies for prompt resolution.

### Accounts Payable Specialist

January 2020 - May 2022

Riverside Construction Co.

Naperville, IL

Supported Riverside Construction's finance operations by proficiently processing a high volume of invoices and ensuring their alignment with authorized purchase orders and contracts.

- Processed numerous invoices accurately, matching them to the required authorized documents for payment approval.
- Proactively addressed unclaimed credits and discrepancies in vendor statements to streamline accounts payable efficiencies.
- Assisted in implementing internal controls that elevated the accuracy of vendor data and enhanced payment processing.
- Collaborated with finance teams on improving payment workflow, achieving a noticeable reduction in overall processing times.
- Provided necessary documentation and information during external audits, ensuring compliance and transparency.
- Trained incoming staff on accounts payable procedures, fostering consistency and competence within the team.
