

Malachi Randall

Accounts Receivable Junior Accountant

📞 (217) 555-1234 ✉ malachi.randALL@email.com 💻 linkedin.com/in/malachi-randALL 📍 123 Maple St, Springfield, IL 62704

SUMMARY

Detail-oriented junior accountant with 2 years of hands-on experience in accounts receivable and financial analysis. Hands-on management of cash applications and reconciliations in fast-paced business environments resulted in reduced processing times and error resolution. Strong analytical skills complemented by proficiency in Excel and ERP systems focus on GAAP compliance. A keen desire to streamline processes led to innovative improvements in operational efficiency and collaboration across teams. Fostered fruitful partnerships with clients and sales, ensuring a commitment to accuracy and effective communication, ultimately driving success in financial operations.

EXPERIENCE

Accounts Receivable Specialist

Accounting Solutions LLC 📅 June 2025 - Present 📍 Chicago, IL

Focused on enhancing daily accounts receivable operations, oversaw cash applications and reconciled sub-ledgers, ensuring accurate financial reporting. Collaborated closely with sales and customer service teams to resolve deductions, improving client satisfaction and operational efficiency. Conducted thorough monthly reconciliations as part of the month-end close process while creating detailed AR reports to support decision-making.

- Handled daily transactions, applied cash effectively, and ensured reconciliations aligned with company standards.
- Engaged with cross-functional teams to clear deductions, significantly enhancing the resolution process for clients.
- Led initiatives that generated insightful AR reports, directly aiding business financial planning efforts.
- Implemented new process improvements, cutting reconciliation times and optimizing workflows considerably.
- Utilized advanced Excel functions for data analysis, streamlining reporting and fostering better decision-making.
- Drove collaborative efforts to improve overall departmental communication and awareness of operational challenges.

AR Analyst

Financial Services Group Inc. 📅 January 2024 - May 2025 📍 Naperville, IL

Managed accounts receivable functions focusing on payment processing and cash allocation, assuring precise ledger maintenance and compliance with GAAP standards. Diligently researched discrepancies within customer accounts, implementing solutions that enhanced accuracy in financial reports and necessary accounting records. Worked on developing analytics tools that elevated insights into accounts receivable performance metrics.

- Ensured efficient management of customer payments, fortifying financial integrity through accurate ledger documentation.
- Proactively resolved account discrepancies, proactively working towards reducing unidentified deductions and complaints.
- Monitored adherence to GAAP protocols while educating the finance team about best practices and policy updates.
- Contributed actively to reporting strategy development, resulting in an improved visibility on AR key performance indicators.
- Facilitated liaison between internal departments and customers, expediting communications to swiftly settle issues.
- Participated in technology implementation projects that revamped AR workflow efficiency through software integration.
