EXPERIENCE

Marketing Intern

Chicago Marketing Agency | June 2023 - Present | Chicago, IL

Engaged in hands-on marketing internships focusing on content creation and campaign support. Collaborated with teams to execute vibrant marketing initiatives and workflows powered by AI.

- Created compelling digital content for multiple marketing platforms.
- Collaborated with diverse teams on engaging environmental research initiatives.
- Assisted in developing strategies based on emerging marketing technologies.
- Contributed to execution plans aiming at maximizing audience reach.

Digital Content Creator

Freelance | January 2023 - May 2023 | Chicago, IL

Produced digital video content for local businesses, utilizing advanced editing tools and creative storytelling techniques. Focused on content aligned with client goals.

- Crafted high-quality video projects tailored to client branding.
- Managed project timelines effectively while balancing multiple assignments.
- Provided strategic input on improving social media presence.
- Introduced innovative approaches to content that enhanced engagement.

Research Assistant

University of Chicago | September 2022 - December 2022 | Chicago, IL

Supported natural language processing studies aimed at understanding audience behavior in digital spaces. Emphasized collaboration across academic disciplines.

- Conducted comprehensive research on market trends and data analytics.
- Participated in academic discussions to enhance team outcomes.
- Integrated findings into actionable marketing recommendations.

STRENGTHS

- Creativity**
Developed innovative marketing concepts that drive engagement on digital platforms. Peers consistently sought insight into my creative processes.
- Team Collaboration**
Thrived in team environments where ideas flow freely, demonstrating adaptability in dynamic group settings.
- Analytical Thinking**
Utilized data insights to craft content strategies, leading to marked improvements in audience interaction.
- Communication Skills**
Excels in conveying complex ideas simply and persuasively, both in writing and verbally. Enhanced peer presentations significantly.
- Adaptability**
Effectively adjusted content settings according to audience feedback, ensuring continuous growth in engagement metrics.
