SUMMARY

Dedicated hospital aide with over 2 years of experience maintaining cleanliness and hygiene in healthcare settings. Strong ability to work efficiently under pressure and contribute to patient well-being through effective cleaning practices. Focused on ensuring a safe, clean environment for patients and staff while managing the demands of multiple tasks. Experienced in collaborating with healthcare professionals to respond promptly to situational needs related to cleanliness and industry standards. Committed to fostering positive relationships within teams to enhance operational efficiency. Driven by a desire to support hospital missions and improve overall patient experiences.

EXPERIENCE

Hospital Aide

Caring Hands Healthcare Services 📅 March 2025 - Present 📍 Chicago, IL

Responsible for cleaning and disinfecting patient rooms, nursing stations, and high-touch areas. This role demands sustained commitment to health standards and sanitation procedures.

- Clean and disinfected patient rooms along with all surfaces, fixtures, and floors daily.
- Managed waste disposal effectively and ensured proper sanitation in recycling bins.
- Restocked cleaning supplies and maintained operational readiness of cleaning carts.
- Collaborated closely with nursing staff to address immediate cleaning requirements.

Environmental Services Technician

Bright Futures Medical Center 📅 January 2024 - February 2025 📍 Schaumburg, IL

Focused on maintaining cleanliness across patient areas in a busy medical environment, facilitating a hygienic atmosphere conducive for healing.

- Executed thorough cleaning functions in designated areas including waiting rooms and restrooms.
- Supported inventory management of cleaning supplies and actively monitored equipment condition.
- Worked alongside nursing personnel to meet tight timelines for room readiness after discharge.
- Utilized feedback from supervisors to refine cleaning techniques for maximum efficiency.

Housekeeping Aide

Green Valley Nursing Home 📅 June 2023 - December 2023 📍 Oak Park, IL

Ensured overall cleanliness in residential communal facilities and rooms while adhering strictly to safety and health protocols across all tasks.

- Performed deep cleans in resident rooms, common areas, and dining facilities.
- Monitored environmental safety adherence during all cleaning processes.
- Report health and safety hazards discovered during cleaning operations promptly.
- Efficiently managed time to complete tasks while supporting team coordination.
