EXPERIENCE

Clinical Pharmacist Intern

University Research Lab 📅 June 2025 - Present 📍 Chicago, IL

Supports pharmacy operations in an outpatient clinic focusing on oncology patients. Manages comprehensive medication therapy, collaborates on treatment plans, and engages educational sessions with patients. Engaged in quality improvement initiatives and clinical discussions to foster better healthcare delivery.

- Conducted detailed medication therapy management for oncology patients, enhancing therapeutic outcomes.
- Collaborated closely with healthcare professionals to develop personalized treatment plans, ensuring optimized medication use.
- Documented all patient interactions accurately in EMR systems for seamless information transfer among staff.
- Facilitated patient education sessions, improving awareness regarding adherence and potential side effects of therapies.
- Actively contributed insights during quality improvement projects, focusing on specialty pharmacy enhancement.
- Participated in clinical pharmacy rounds, effectively presenting cases and clinical recommendations to peers.

Pharmacy Intern

Health Solutions Pharmacy 📅 January 2024 - May 2025 📍 Chicago, IL

Contributed to community pharmacy efforts while gaining practical experience, managing patient consultations alongside prescription dispensing. Aided in implementing programs to improve operational efficiency.

- Assisted pharmacy team in fulfilling prescriptions while ensuring optimal patient engagement and satisfaction.
- Engaged proactively with patients regarding their medication regimens and overall health status.
- Aided implementation of the 340B drug pricing program, assuring compliance with federal regulations.
- Developed informative materials to support patients in chronic disease management strategies.
- Managed inventory ordering and control activities to prevent stock shortages, ensuring uninterrupted service.
- Collaborated on projects aiming to streamline workflows, significantly shortening patient wait time.
