STRENGTHS

- Team Collaboration**
Strong ability to partner with diverse teams; peers frequently rely on input for project hurdles.
- Problem-Solving**
Quickly identify issues and apply logical approaches for efficiency gains; often find cost-effective solutions.
- User-Centric Design**
Passion for creating intuitive interfaces that align with user behavior; recognized for successful user engagement strategies.
- Agile Methodologies**
Experience working in Agile frameworks; continuously promote iterative progress towards refined outcomes.
- Technical Expertise**
Deep knowledge in contemporary frontend technologies enabling innovative feature applications; relied upon for high-stakes projects.

SKILLS

React TypeScript JavaScript

API Integration

User Experience Design

Collaboration

Web Application Architecture

Frontend Development

Performance Optimization

Usability Testing Problem Solving

Agile Practices

Cross-Functional Teamwork

Design Pattern Utilization

Data Analysis

Software Quality Assurance

SUMMARY

Innovative frontend engineer brings over five years of experience sculpting user-focused applications and integrating AI functionalities. At Tech Innovators Inc., succeeded in building engaging user interfaces using React and TypeScript. Collaborated closely with cross-functional teams, transforming complex user needs into simple, effective solutions, all while optimizing application performance. Prior experiences at Creative Solutions LLC and NextGen Systems bolstered skills in responsive design and API integration. Highly engaged in understanding user feedback for continual enhancement of application interfaces, ensuring peak user satisfaction and retention.

EXPERIENCE

Applied AI Frontend Engineer

Tech Innovators Inc. 📅 January 2024 - Present 📍 Naperville, IL

Lead developer focused on crafting user-friendly interfaces for AI-driven applications utilizing React and TypeScript. Collaborate with product management and UX teams to translate intricate requirements into practical features while continually enhancing application performance through data analysis.

- Spearheaded the development of innovative user interfaces for AI features leveraging React frameworks.
- Engaged in cross-functional collaboration for optimal product functionality based on client needs.
- Analyzed user metrics and feedback to refine performance and usability of web applications.
- Integrated backend services, ensuring seamless functionality between front-end interfaces and server-side processes.

Frontend Developer

Creative Solutions LLC 📅 June 2021 - December 2023 📍 Evanston, IL

Focused on developing responsive web applications with a strong emphasis on improving user experience and overall functionality throughout project lifecycles.

- Led initiatives in creating appealing and efficient user interfaces across various projects.
- Seamlessly integrated RESTful APIs to extend application functionality beyond basic setups.
- Conducted thorough usability testing sessions, applying findings to revise both design and features.
- Encouraged team discussions about process improvements which improved efficiency and output quality.

Junior Developer

NextGen Systems 📅 July 2019 - May 2021 📍 Chicago, IL

Assisted in the creation and upkeep of web applications with an acute focus on frontend aesthetics and functionality optimization.

- Collaborated on progressive web application designs under the guidance of senior engineers.
- Contributed to optimizations making significant enhancements to backend integrations and frontend symbiosis.
- Participated in regular code reviews helping promote codified standards within team culture.
- Drafted documentation to support best practices and shared knowledge on new tools and technologies.

LEADERSHIP & AWARDS

- Certified Frontend Developer, 2023
- AI Integration Specialist, 2025

EDUCATION

Bachelor's Degree in Computer Science

LANGUAGES

English Native

Spanish Proficient

MY CAREER

● Applied AI Frontend Engineer at Tech Innovators Inc. (2.4 Years)

● Frontend Developer at Creative Solutions LLC (2.5 Years)

● Junior Developer at NextGen Systems (1.8 Years)

University of Illinois 🎓 GPA: 3.8 📅 2019 📍 Champaign, IL

Coursework: Software Development, Web Technologies, User Experience Design, AI Models

CERTIFICATIONS

- Certified Frontend Developer 📅 2023
- AI Integration Specialist 📅 2025

TECHNICAL SKILLS

- **Frontend Development Tools:** React, Angular, Vue.js
- **Version Control:** Git, SVN, Mercurial
- **UI/UX Design Software:** Figma, Adobe XD, Sketch
- **Testing Frameworks:** Jest, Mocha, Cypress
- **Continuous Integration/Delivery:** Jenkins, GitHub Actions, CircleCI
- **API Technologies:** GraphQL, REST
- **Project Management Tools:** JIRA, Asana, Trello
- **Database Integration:** MySQL, MongoDB, Firebase
- **DevOps Tools:** Docker, Kubernetes, Ansible
- **Cloud Services:** AWS, Azure, Google Cloud Platform

PROFESSIONAL AFFILIATIONS

- Member of AI Frontend Engineers Association
- Volunteer at Local STEM Workshops
