SUMMARY

Dedicated Artisan Bread Baker with over 2 years of experience in high-volume baking environments. Proficient in creating a variety of artisan breads and pastries, emphasizing quality and creativity. Recognized for excellent teamwork and the ability to innovate recipes while maintaining high standards of production. Enjoyed collaborating with culinary professionals to gain insight into advanced techniques and trends in baking. Seeking opportunities within a leading bakery team, eager to contribute culinary skills, expand knowledge, and deliver exceptional baked goods that meet customer expectations.

EXPERIENCE

Baker

Artisan Breads Co. 📅 June 2024 - Present 📍 Chicago, IL

Leading artisan bread production in a modern baking facility while ensuring product quality and adhering to the highest safety standards. Contributing to daily operations within a cohesive team atmosphere.

- Spearheaded production of sourdough and whole grain breads, ensuring recipe accuracy and consistent quality in large batches.
- Collaborated with culinary team members to formulate innovative recipes, enhancing seasonal menu options and customer satisfaction.
- Implemented inventory management strategies, reducing ingredient waste significantly while maximizing freshness.
- Maintained compliance with health regulations by keeping a clean workspace, rigorously following food safety protocols across all products.
- Assisted in training new bakers by providing mentorship and fostering knowledge sharing on best practices.
- Conducted regular quality assessments on products, guaranteeing they met stringent company standards before reaching customers.

Baker

Fresh Bakes Café 📅 January 2025 - May 2024 📍 Peoria, IL

Focused on diverse baking productions while cultivating customer relations. Ensured timely delivery of high-quality products during peak service periods.

- Created a variety of pastries and breads using premium ingredients, focusing on originality and presentation.
- Managed daily baking schedules, adapting efficiently to demand fluctuations for optimal product availability.
- Built strong partnerships with local suppliers to guarantee fresh, high-quality raw materials for each specialty item.
- Engaged with community events, promoting bakery offerings effectively and increasing brand awareness throughout the region.
- Monitored equipment functionality, ensuring prompt maintenance requests were made to reduce downtime in production.
- Designed eye-catching presentations of baked goods that boosted customer interest and improved overall sales.
