SUMMARY

Enthusiastic nursing educator with over eight years in clinical settings and academia. A strong background in curriculum development enhances student engagement and learning. Hands-on experience includes teaching Adult Health concepts through interactive methods while adapting to diverse student needs. As a collaborative team member, commitment to mentorship and fostering inclusive environments supports students on their academic journeys. Proven ability to enhance nursing education through innovative programs, bridging theoretical knowledge with practical application.

STRENGTHS

- Curriculum Development**
Transformed traditional courses into engaging, modern learning experiences, intertwining theory with practice. Remembered for innovation in teaching practices.
- Student Mentorship**
Guided numerous students through challenging academic paths, often becoming a trusted advisor. Many reach out long after graduating for continued guidance.
- Collaborative Teaching**
Built partnerships with faculty across disciplines, enriching course content through shared expertise. Fostering teamwork is a personal passion that breeds brand loyalty and satisfaction among peers.
- Professional Communication**
Candid communicator, establishing transparency in interactions with students and staff. Known for being approachable and maintaining an open-door policy.
- Inclusive Practices**
Actively promoted diversity within all components of teaching, embracing varied perspectives. Recognized for implementing initiatives leveling the playing field for all students.

SKILLS

- Curriculum Development
- Student Mentorship
- Nursing Assessment

EXPERIENCE

Nursing Instructor

Green Valley Health Services 📅 January 2020 - Present 📍 Chicago, IL

Design and deliver nursing curricula for undergraduate courses focusing on Adult Health. Collaborate with colleagues on interdisciplinary research initiatives. Assess and enhance student learning outcomes by providing constructive feedback. Act as a mentor and guide for students, promoting academic and professional growth.

- Develop comprehensive curricula that align with educational standards and promote critical thinking.
- Collaborate actively with faculty and administration across departments to support institutional goals.
- Assess student performance using various methodologies to track progress and facilitate improvement.
- Mentor students through both academic advisement and career guidance, fostering a supportive environment.

Clinical Nurse Educator

Blue River Medical Center 📅 June 2018 - December 2019 📍 Aurora, IL

Designed training programs tailored for nursing staff within clinical settings. Collaborated with medical teams to evaluate program effectiveness and adapt to feedback. Developed ongoing workshops addressing patient care practices and enhancing skill sets among participants.

- Created engaging training sessions focused on aligning clinical skills with current healthcare practices.
- Evaluated training impact through outcome assessments, allowing for continuous refinements.
- Facilitated interprofessional workshops aimed at improving overall patient care methodologies.
- Established rapport with nursing staff, incorporating their insights into educational strategies.

Registered Nurse

Sunnydale Community Hospital 📅 August 2015 - May 2018 📍 Elmwood Park, IL

Delivered empathetic patient care in a busy medical-surgical unit. Collaborated closely with interdisciplinary teams to design and implement effective patient care plans. Participated in training new staff members, reinforcing a culture of collaboration and teamwork.

- Provided exemplary patient care, ensuring both safety and comfort during the treatment process.
- Worked collaboratively with physicians and specialists to optimize patient recovery protocols.
- Involved in the orientation process for newcomers, sharing insights to acclimate them quickly.
- Participated in hospital committees aiming to improve nursing practices and patient experiences.

LEADERSHIP & AWARDS

- Recipient of the Outstanding Educator Award at Green Valley Health Services for innovative curriculum development.
- Selected for the Faculty Leadership Program recognizing dedication to student success and inclusion.
