STRENGTHS

- 👤 **Fiduciary Counsel**
Advised leaders on fiduciary obligations during sensitive governance decisions. A careful explanation often turned uncertainty into a clear next step.
- 👤 **Board Support**
Prepared board materials and records for governance committees. Colleagues valued concise documents that made difficult matters easier to review.
- 👤 **Regulatory Judgment**
Interpreted investment regulations for business teams. Practical recommendations helped specialists act with confidence when requirements were unclear.
- 👤 **Cross Functional Counsel**
Connected legal, compliance, and business perspectives on policy changes. That collaboration surfaced operational issues before they became larger problems.
- 👤 **Executive Communication**
Delivered briefings and memoranda for senior leaders. Direct language helped decision makers focus on risk, options, and business impact.

SUMMARY

Legal professional with more than 10 years advising financial organizations on **corporate governance, fiduciary responsibilities, investment products**, regulatory frameworks, and corporate legal operations. Supports directors, trustees, executives, governance committees, compliance partners, and internal legal teams through clear analysis and practical guidance. Experience includes board materials, **corporate secretary functions**, governance documentation, policy development, legal memoranda, regulatory interpretation, and sensitive matters involving multiple stakeholders. Brings sound judgment to complex organizations, translating regulatory requirements into workable decisions and consistent processes. Strong communication skills support productive relationships with senior leaders and specialist advisers. This background can help a governance team protect fiduciary standards, improve board readiness, and make well reasoned decisions across investment product and regulatory matters.

EXPERIENCE

Associate General Counsel, Fund Governance

Harborstone Asset Management 📅 January 2020 - Present 📍 Washington, DC

Leads legal support for executive leaders, **governance committees**, investment products, regulatory matters, and **corporate documentation**. Partners with compliance and business teams on policy decisions, operational effects, and sensitive matters.

- Advised executive leaders on fiduciary obligations, **regulatory requirements**, and governance decisions affecting **investment products**.
- Prepared **board materials** and corporate records, giving committees clearer documentation for sensitive governance matters.
- Analyzed investment product questions against applicable regulations, guiding practical recommendations for business and legal teams.
- Partnered with compliance specialists on policy changes, identifying operational effects before implementation across governance activities.
- Created legal guidance documents that brought greater consistency to recurring governance reviews and advisory requests.
- Managed sensitive legal matters involving **executives**, compliance partners, and multiple internal stakeholders across business functions.

Senior Corporate Counsel, Governance

Northbridge Investment Advisors 📅 July 2016 - December 2019 📍 Arlington, Virginia

Provided corporate legal counsel for governance, contracts, regulatory interpretation, strategic initiatives, and committee operations. Coordinated internal leaders and external counsel while improving recurring advisory workflows.

- Advised business leaders on **corporate governance**, contracts, and **regulatory interpretation** during strategic initiatives.
- Reviewed new business proposals, identifying legal considerations and implementation requirements before leadership approval.
- Prepared executive briefings and legal memoranda that supported timely decisions on complex organizational matters.
- Coordinated external counsel on specialized regulatory questions, keeping internal stakeholders aligned on recommended actions.
- Prepared governance committee meetings with organized materials, **legal analysis**, and complete **corporate documentation**.
- Improved recurring legal advisory workflows, helping teams receive clearer guidance with less administrative friction.
