SUMMARY

Committed veterinarian with over 5 years dedicated to providing exceptional medical care for companion animals. Built solid relationships with pet parents, fostering trust and collaboration. Experience in a clinical setting that values technology and teamwork. Aims to contribute expertise towards advanced veterinary practices while continuing professional development. Engages in community outreach initiatives, advocating for responsible pet ownership. Recognized for effective communication and mentor support in guiding colleagues and interns. Enthusiastic about helping pets thrive through comprehensive preventative care strategies.

EXPERIENCE

Associate Veterinarian

Pet Haven Veterinary Clinic 📅 June 2024 - Present 📍 Fort Collins, CO

- Provide high-quality medical treatment for companion animals within a collaborative clinical team focused on patient and client satisfaction. Leverage advanced technology to improve service delivery and enhance patient outcomes.
- Delivered thorough examinations, vaccinations, and surgical procedures ensuring comfort and safety.
 - Fostered collaborative relationships with veterinarians and technicians, developing tailored treatment strategies.
 - Engaged pet owners in educational discussions regarding preventive health measures, enhancing compliance.
 - Contributed actively to community events supporting animal welfare initiatives, raising awareness.
 - Guided interns through hands-on training in clinical protocols, promoting growth and competency.
 - Streamlined processes to boost efficiency, leading to faster responses and improved customer service.

Veterinary Associate

Greenfield Animal Hospital 📅 May 2020 - May 2024 📍 Denver, CO

- Serviced a diverse caseload in a dynamic fast-paced environment, focusing on both medical and surgical cases. Established a foundation of strong connectivity with clients centered on exceptional care.
- Implemented innovative patient care protocols, which led to significant improvements in operational workflows.
 - Maintained continuous communication with clients regarding their pet's health journey, enhancing trust.
 - Executed wellness programs contributing to a notable increase in preventive care visits within the clinic.
 - Conducted interactive seminars promoting pet nutrition information, empowering client knowledge.
 - Embarked on continuous education workshops, integrating new practices into daily operations consistently.
 - Participated in case discussions that influenced the hospital's approach to complex veterinary cases.

Veterinary Intern

Sunny Meadows Animal Clinic 📅 June 2019 - April 2020 📍 Boulder, CO

- Supported veterinary staff in managing daily operations and patient care procedures, grounding practical skills in a busy practice environment. Developed an understanding of various veterinary software and record systems.
- Assisted in performing diagnostics, examinations, and surgeries while prioritizing patient safety.
