SUMMARY

Driven Audit Supervisor with over five years of public accounting experience, focusing on audit engagement management. Proven skills in mentoring staff and developing client relationships. Expertise in GAAP and GAAS compliance enhances operational efficiency for mid-sized companies. Responsible for planning, executing, and supervising audits while ensuring all work meets professional standards. An advocate for embracing technology and innovative tools to streamline processes and improve results. Eager to contribute leadership, proactive problem-solving, and the ability to manage multiple projects successfully within a collaborative team environment.

EXPERIENCE

Audit Supervisor

Cypress Consulting Group 📅 June 2021 - Present 📍 Wilmington, DE

Oversaw audit engagements for diverse clients, aligning operations with compliance standards. Developed strategic audit plans and mentored junior staff to enhance their professional growth. Played an instrumental role in implementing technologies that streamlined the audit process, significantly boosting accuracy and efficiency.

- Led comprehensive risk assessments to evaluate and strengthen internal controls across client operations.
- Cultivated strong client relationships through consistent communication and quick resolution of inquiries, leading to high satisfaction ratings.
- Implemented project management techniques to prioritize tasks effectively, resulting in timely audits and increased productivity.
- Fostered team collaboration by organizing training sessions that enhanced overall skill sets and knowledge sharing.
- Conducted thorough reviews of financial statements to ensure adherence to GAAP and GAAS guidelines, thereby minimizing governance risk.
- Integrated AI-driven solutions into audit processes, improving precision during data analysis and reporting phases.

Senior Auditor

Evergreen Accounting Solutions 📅 August 2018 - May 2021 📍 Newark, DE

Supervised audit teams performing systematic financial evaluations across mid-sized corporations, focusing on enhancing compliance outcomes. Developed impactful audit strategies fostering team growth and achieving client goals efficiently.

- Facilitated regular communication between clients and audit teams, creating transparency and trust throughout audit processes.
- Designed audit plans considering key risk factors, which improved organizational effectiveness and boosted client recommendations.
- Initiated software migration from legacy systems to advanced auditing tools, reducing manual entry errors and increasing workflow speeds.
- Guided training programs for junior auditors, thus elevating service quality provided to clients and instilling best practices.
- Engaged stakeholders in identifying critical financial metrics, augmenting fiscal stability and growth prospects within clients' businesses.
- Developed supportive networks that provided resources and technical assistance during complex audit cases, enhancing team unity.

Audit Associate

Maple Financial Group 📅 July 2016 - July 2018 📍 Wilmington, DE

Assisted in various audit assignments, contributing to meticulous planning, execution, and documentation. Gained insights into client operations while developing skills in substantial audits and analytics for large organizations.

- Played a critical role in collecting vital client information, ensuring smoother audit workflows and minimizing bottlenecks.
