SUMMARY

Dedicated Automotive Service Technician with three years of hands-on experience in diagnosing and repairing a wide range of vehicles. Proven ability to deliver high-quality service in fast-paced environments while maintaining efficiency. Strong communication skills facilitate clear explanations of technical issues to customers, ensuring understanding and satisfaction. Committed to safety, professionalism, and an organized workspace that fosters teamwork. Has effectively collaborated with parts departments to minimize delays and streamline service processes. Eager to contribute expertise to a dynamic team focused on customer-centric service and operational success.

EXPERIENCE

Automotive Service Technician
TechMate Automotive

June 2024 - Present
Minneapolis, MN

- Responsible for diagnosing and performing repairs and maintenance on customer vehicles. Ensures quality standards and efficiency are met consistently. Successfully collaborates with the Parts Department to ensure timely availability of necessary components, enhancing operational workflows. Takes pride in clean workspaces and promotes professionalism throughout all interactions, directly impacting customer experiences. Gathers feedback from road tests, verifies repair effectiveness, and proposes recommendations for additional services.
- Diagnosed and performed repairs on customer vehicles, adhering strictly to industry quality standards.
 - Achieved a notable increase in service efficiency through effective workflow management and prioritization.
 - Collaborated closely with the Parts Department to expedite inventory availability, minimizing service delays.
 - Conducted thorough post-repair road tests, ensuring customer satisfaction and repair validation.
 - Engaged with Service Advisors for seamless communication regarding suggestions for additional repairs.
 - Maintained a meticulously clean environment, enhancing the overall image and professionalism of the dealership.

Junior Automotive Technician
AutoCare Center

January 2023 - May 2024
St. Paul, MN

- Assisted lead technicians with diverse vehicle repairs, gaining solid experience in automotive systems and customer service. Supported routine maintenance duties under supervision, which helped refine hands-on mechanical skills. Worked diligently on fostering strong interpersonal relationships to communicate effectively about repair needs with both customers and team members. Continuously maintained equipment optimally for safe and efficient service delivery while learning about advanced automotive technologies.
- Assisted senior technicians with diagnostics, cultivating a comprehensive understanding of a variety of automotive repairs.
 - Performed routine maintenance tasks, such as oil changes and brake inspections, effectively supporting the team.
 - Excelled in developing customer service relationships by clearly explaining repair details and ensuring transparency.
 - Helped maintain organization within the workshop, which promoted prompt service provision and equipment safety.
 - Participated in training sessions focused on emerging automotive technologies enhancing personal development.
 - Received employee of the month recognition for exemplary dedication to both service quality and performances.

Apprentice Technician
Precision Auto Repair

June 2022 - December 2022
Minneapolis, MN

- Supported experienced technicians in various repair projects, extending knowledge in engine diagnostics and electrical system troubleshooting. Enhanced practical skills by engaging with common shop tools and ensuring adherence to safety protocols. Among contributions included organizing parts, contributing positively towards workshop efficiency.
- Worked alongside senior technicians to troubleshoot challenging electrical systems and engine diagnostics.
 - Gained familiarity in using essential automotive repair tools while learning industry best practices.
 - Played a role in better inventory organization which improved parts accessibility.
 - Contributed effectively to team goals by completing designated tasks in a timely manner.
 - Initiated customer service engagements, improving foundational skills in conveying repair requirements.
 - Demonstrated an unwavering commitment to continuous learning through proactive participation in workshops.

LEADERSHIP & AWARDS

- Achieved Employee of the Month at AutoCare Center for exceptional service performance.
- Recognized for consistent contribution to team efficiency and customer satisfaction efforts.
