STRENGTHS

- Technical Expertise**
Skilled in Java programming and cloud computing, user-friendly software developed efficiently.
- Effective Collaborator**
Worked seamlessly in multidisciplinary teams, building rapport while achieving outstanding results.
- Problem Solver**
Identified challenges promptly, proposing smart solutions that drive operational efficiency.
- Adaptability**
Flexible in fast-moving environments, eager to learn new tools and technologies rapidly.
- Client-Focused**
Prioritized understanding client needs, ensuring delivered software and services significantly met their expectations.

SUMMARY

Ambitious software engineer, ready to advance backend systems through programming expertise and cloud architecture. Pursuing a Bachelor's in Computer Science with an expected graduation in 2025. Hands-on experience gained at Cloud Innovations Inc., developing applications that meet client needs while maintaining high quality. Enjoy using Java and AWS technologies to solve problems effectively. Eager to collaborate within team settings to launch innovative products tailored for diverse audiences. Skillful at translating client requirements into efficient application design.

EDUCATION

Bachelor's Degree in Computer Science

University of Illinois 🎓 GPA: 3.7 📅 2025 📍 Champaign, IL

Coursework: Data Structures, Algorithms, Software Engineering, Database Management

TECHNICAL SKILLS

- Programming Languages:** Java, Python, C++
- Database Technologies:** MongoDB, PostgreSQL, MySQL
- Cloud Services:** AWS, Google Cloud Platform, Azure
- Development Frameworks:** Spring Boot, Node.js, Express
- Version Control Systems:** Git, GitHub, Bitbucket
- Testing Frameworks:** JUnit, Mockito, Selenium
- Containerization:** Docker, Kubernetes, OpenShift
- Methodologies:** Agile, Scrum, Waterfall
- Web Technologies:** HTML, CSS, JavaScript
- Operating Systems:** Windows, Linux, macOS

EXPERIENCE

Software Engineering Intern

Cloud Innovations Inc. 📅 June 2025 - Present 📍 Chicago, IL

Currently contributing as a Software Engineering Intern where proficiency in Java and AWS drives project success. Collaborating extensively with experienced developers on client-driven features and enhancements. Focused on creating robust applications while testing for functionality and reliability.

- Designed and implemented software solutions based on client specifications.
- Utilized Java and AWS technologies to build reliable and scalable applications.
- Conducted thorough unit testing and collaborated in debugging for optimal performance.
- Actively participated in meetings with clients, gathering valuable insights.

Junior Software Developer

Tech Solutions Group 📅 January 2024 - May 2025 📍 Peoria, IL

Gained foundational skills while working as a Junior Software Developer. Engaged in hands-on development responsibilities utilizing agile methodologies. Played key role in back-end service creation emphasizing microservices architecture.

- Developed back-end services effectively leveraging Java's capabilities.
- Integrated various NoSQL databases, enhancing application data storage strategies.
- Contributed during agile ceremonies including sprint planning and daily stand-ups.
- Collaborated closely with cross-functional teams to align goals and deliverables.

LEADERSHIP & AWARDS

- Dean's List - University of Illinois (2024)
- AWS Certified Developer – Associate (2025)

Spanish Proficient

MY CAREER

● Software Engineering Intern
at Cloud Innovations Inc. (1
Years)

● Junior Software Developer at
Tech Solutions Group (1.3 Years)

CERTIFICATIONS

- AWS Certified Developer – Associate 📅 2025
- Java SE 8 Programmer 📅 2025

PROFESSIONAL AFFILIATIONS

- Member, ACM (Association for Computing Machinery)
- Volunteer, Local STEM Outreach Programs
