SUMMARY

Creative media professional specializing in visual storytelling and content creation. Expertise lies in leveraging Adobe Creative Cloud for engaging narratives across diverse platforms. Proven ability to produce high-quality video content while fostering collaboration among teams. Successfully implemented strategic marketing initiatives that resonate with audiences. Passionate about managing multiple projects with a focus on detail and creativity, enhancing client satisfaction and brand visibility throughout various campaigns.

EXPERIENCE

Brand Content Creator

January 2025 - Present

Creative Media Solutions

Austin, TX

Responsible for producing captivating content as a Brand Content Creator at Creative Media Solutions. Drove engagement through effective cross-functional collaborations while ensuring alignment with brand strategies.

- Conceptualized content that showcased compelling narratives across multiple platforms, significantly boosting audience engagement.
- Collaborated effectively with marketers to elevate storytelling, ensuring a blend of creative emotion and actionable strategy.
- Developed clear scripts and storyboards, aligning messaging consistently with brand identity and goals.
- Executed proficient video shoots utilizing DSLR and broadcast cameras under varying conditions, achieving high production quality.
- Edited engaging videos using Adobe Premiere Pro and After Effects, delivering polished materials ready for distribution.
- Oversaw project timelines and asset flow via Adobe Workfront, enhancing operational efficiency and meeting delivery checkpoints.

Junior Content Creator

June 2023 - December 2024

Visionary Productions

Chicago, IL

Contributed as a Junior Content Creator, focusing on creating promotional materials and enhancing brand visibility through storytelling techniques.

- Assisted in crafting eye-catching promotional videos and social media content, which strengthened overall brand presence.
- Supported senior content creators through research and preparation of scripts, boosting team productivity and project outcomes.
- Gained valuable insights into video production tools such as Premiere Pro and Photoshop, facilitating effective content editing.
- Engaged in brainstorming sessions, contributing innovative ideas to enhance creative direction within the team environment.
- Compiled a professional portfolio, displaying versatile project contributions that highlighted unique creative strengths.
- Managed required media effectively during productions, streamlining workflows and improving output organization.

Capstone Project Developer

September 2022 - May 2023

University Project

Springfield, IL

Led a university capstone project, overseeing all stages from scripting through final edits, driving success through teamwork and resourcefulness.

- Directed a student team in producing a short film, demonstrating strong organizational and leadership capabilities.
- Employed Adobe Creative Cloud for comprehensive editing and visual creation, resulting in an impactful final presentation.
- Partnered with peers by soliciting feedback and incorporating suggestions, showcasing effective collaborative qualities.
- Applied creative lighting techniques and camera work, producing higher quality footage that enhanced viewer experience.
- Organized community screen events to share finished products, garnering audience responses that informed future projects.
