MY CAREER

● Research Participant at University Research Lab (1.5 Years)

● Research Assistant at Student Innovation Lab (3 Months)

Supported project initiatives focusing on consumer behavior and preferences with proficient use of online surveys and analyses. Enabled efficient data collection using digital tools while processing qualitative inputs across multiple study formats. Aiming to present findings that would facilitate academic growth and improved methodologies in research.

- Collaborated on consumer behavior analysis through survey distribution and feedback collection.
- Analyzed qualitative data from participants identifying trends relevant to ongoing studies.
- Facilitated online discussions ensuring representation of all participant voices.
- Applied digital tools streamlining data collection enriching overall project efficiency.
- Presented findings to faculty strengthening academic discussions on research methodologies.
- Developed technical proficiency using various online research platforms.

LEADERSHIP & AWARDS

- Dean's List, University of Chicago, 2024
- Best Presentation Award, Student Research Conference, 2025

CERTIFICATIONS

- Fundamentals of Online Research 📅 2025
- Effective Communication for Remote Teams 📅 2025

PROFESSIONAL AFFILIATIONS

- Member, Communication Student Association, 2024 - Present
- Participant, Annual Academic Research Symposium, 2025
