SUMMARY

Dedicated customer service professional with over two years of experience in fast-paced call centers, specializing in healthcare support. Proven expertise managing high-volume inbound calls while ensuring exceptional communication and empathy towards patients. Demonstrated ability to utilize Microsoft Office for multitasking and efficient service delivery. Strong problem-solving capabilities contribute significantly to maintaining confidentiality in sensitive situations. Eager to join a new team and bring skills that enhance patient experiences and operational success.

EXPERIENCE

Call Center Agent

Healthcare Support Services  January 2025 - Present  Worcester, MA

- Serves as a Call Center Agent where responsibility includes handling high-volume inbound calls across a diverse network of healthcare providers. Manages data systems to ensure seamless patient information flow and coordinate care efficiently.
- Facilitated accurate information delivery to patients by effectively managing high call volumes.
 - Maintained comprehensive call logs and diligently updated patient databases for operational efficiency.
 - Collaborated closely with healthcare teams to manage complex on-call schedules for improved support.
 - Executed emergency call procedures adeptly, adhering strictly to protocols governing urgent situations.
 - Trained incoming team members on best practices for call handling and information system usage.
 - Consistently achieved high call resolution rates contributing positively to overall patient satisfaction.

Customer Service Representative

Patient Care Solutions  June 2024 - December 2024  Springfield, MA

- Delivered exemplary service as a Customer Service Representative, strengthening inter-departmental collaboration to resolve issues and enhance patient care within a busy call center environment.
- Responded promptly and accurately to diverse customer inquiries regarding patient information.
 - Developed onboarding resources for new hires, increasing training effectiveness and assimilation.
 - Coordinated with medical staff to ensure timely relay of urgent messages impacting patient care.
 - Helped integrate innovative database management software, resulting in improved tracking mechanisms.
 - Achieved recognition for consistently high customer satisfaction scores through outstanding support.
 - Engaged in regular training initiatives to remain informed on evolving healthcare policies and practices.
