SUMMARY

Compassionate and dedicated Certified Nursing Assistant with over 3 years of experience providing exceptional care to elderly residents. Proven ability to assist with daily living activities, ensuring comfort and dignity for all residents. Committed to creating a nurturing environment that fosters physical and emotional well-being. Strong communicator who collaborates effectively with nursing teams and families for comprehensive care solutions. Skilled at maintaining cleanliness and organizing resident environments. Looking forward to contributing these skills in a supportive healthcare facility where quality care is paramount.

EXPERIENCE

Certified Nursing Assistant March 2023 - Present
Golden Age Healthcare *Peoria, IL*

At Golden Age Healthcare, provide quality direct care by assisting residents with daily activities such as bathing and grooming. Collaborate closely with nursing staff to meet varied health needs while promoting a safe, welcoming environment.

- Deliver personalized support for daily living activities, fostering independence among residents.
- Maintain a clean, organized environment conducive to resident calming and safety.
- Work alongside nurse managers to ensure adherence to health and safety standards.
- Assist with meal preparation and serving during scheduled dining times.

Certified Nursing Assistant June 2021 - February 2023
Harmony Senior Living *Rockford, IL*

Worked collaboratively with facility staff at Harmony Senior Living to provide residents with compassionate care within a skilled nursing context. Engaged actively with both residents and the nursing team to nurture holistic care requirements.

- Provided immeasurable support facilitating mobility and participation in recreational settings.
- Monitored vital signs and coordinated necessary updates with nursing personnel on health shifts.
- Enhanced social engagement through various recreation initiatives, connecting residents within community.
- Promoted residents' nutritional health through deliberate meal planning and assistance.
