SUMMARY

Early career social work candidate with bachelor's level preparation and supervised fieldwork focused on young adults ages 17 to 21 transitioning from foster care. Completed needs assessments, service plans, monthly updates, **case documentation**, court report exercises, administrative review summaries, and **professional testimony** simulations. Academic work addressed safe housing, education continuation, employment readiness, independent living skills, permanency, supportive relationships, and prevention of legal involvement. Practiced **trauma informed communication** with youth, families, faculty supervisors, and multidisciplinary partners. Maintained timely records, connected changing needs with practical referrals, and presented recommendations from documented evidence. Holds a current driver's license and brings reliability, ethical judgment, flexible community support, and readiness for formal **child welfare** training, scheduled contact, and weekend on call service.

EDUCATION

Bachelor's Degree in Social Work
Louisiana State University GPA: 0
Coursework: Child welfare practice, social work assessment, case documentation, community resource systems

2026
Baton Rouge, LA

EXPERIENCE

Child Welfare Trainee Practicum Student
University Social Work Practicum

January 2026 - September 2026
Baton Rouge, LA

Completed supervised social work fieldwork focused on transition age foster youth, **service planning**, case records, court communication, resource referrals, and professional testimony practice.

- Assessed housing, education, employment, and support needs during supervised youth case simulations
- Drafted **annual service plans** with monthly updates linked to transition goals and **community resources**
- Recorded weekly simulated contacts and follow up messages using confidentiality and timeliness standards
- Prepared **court reports** describing progress, barriers, family status, and recommended next steps
- Practiced **professional testimony** during faculty reviewed hearings using documented case evidence
- Mapped housing, education, transportation, and youth support resources for referral planning

Foster Care Transition Research Assistant
Academic Research

September 2025 - December 2025
Baton Rouge, LA

Conducted supervised academic research on transition age foster youth, organizing evidence for housing stability, education persistence, employment, permanency, and legal system prevention.

- Reviewed foster care research on housing stability, education, employment, permanency, and legal risk
- Coded de identified case scenarios to compare barriers and protective factors in transition planning
- Built a resource matrix linking youth needs with service categories and eligibility considerations

- Prepared research briefs translating findings into practical questions for supervised **service planning**
- Presented findings to faculty and students with clear limits on supported conclusions
- Maintained source notes and research files with consistent naming, citation, and confidentiality practices

PROJECTS

Transition Resource Planning Study 📅 2026

Worked with classmates to organize housing, education, employment, transportation, and support resources. Shared findings in seminar discussion and adjusted categories after peer feedback.

Young Adult Permanency Review 📅 2025

Reviewed de identified scenarios with a faculty supervisor and peers. Connected supportive relationships, independent living goals, and legal prevention needs with practical planning questions.
