STRENGTHS

- 🗨️ **Family Communication**
Families received clear next steps during phone and email contacts, and unresolved questions received steady follow up.
- 📁 **Referral Intake**
Structured conversations brought missing details forward early. Assigned staff could begin reviews with cleaner referral materials.
- ♥️ **Case Documentation**
Avatar notes captured contacts and decisions in a usable history. Colleagues often relied on records during reviews.
- 💡 **Resource Guidance**
Community resource lists became more practical when matched with each family's circumstances, needs, and available supports.
- ♥️ **Calm Coordination**
During difficult interactions, steady communication kept conversations productive and helped families continue through required program steps.
