STRENGTHS

- Empathy**
Approach people with genuine understanding of their situation. Patients often express gratitude for my listening ear.
- Adaptability**
Quickly adjust to unexpected situations, which has ensured continuity of care during last-minute changes in patient status.
- Critical Thinking**
Identifying urgent issues efficiently has allowed me to act swiftly, ultimately reducing patient distress while enhancing teamwork.
- Collaboration**
Working alongside teams fosters collective problem-solving during patient care, resulting in positive experiences for everyone involved.
- Communication Skills**
Valuable in articulating complex ideas clearly to those without medical backgrounds, easing family anxieties regarding care needs.

SUMMARY

Compassionate Registered Nurse dedicated to providing exceptional hospice care. Over 3 years experience in acute care and home health settings, focusing on comprehensive patient assessments and tailored care plans for individuals and families. Skilled in medication administration and collaborative healthcare processes with interdisciplinary teams. Eager to join Compassionate Care Services and contribute to community health while enhancing the quality of life for patients at this critical juncture. Strong communication builds trust and educates families on navigating hospice services effectively.

EXPERIENCE

Registered Nurse

Caring Hands Hospice | January 2025 - Present | Aurora, IL

Planning, organizing, and directing hospice care focused on meeting community health needs. Perform detailed assessments to formulate patient-centered approaches and consistently review care strategies for optimal outcomes. Collaborate seamlessly with physicians and several interdisciplinary teams including social workers and chaplains to tailor services to individual patient requirements.

- Conduct in-depth evaluations of patient conditions and family dynamics to identify appropriate hospice care pathways.
- Administer medications and treatments as part of evidence-based nursing practice.
- Facilitate discussions with families regarding care plans, ensuring clarity around expectations and responsibilities.
- Lead weekly interdisciplinary team meetings to coordinate care and share insights about patient progress.

Registered Nurse

Heartfelt Home Health | June 2023 - December 2024 | Bolingbrook, IL

Delivered comprehensive nursing care within home health environments while emphasizing comfort and safety. Developed a rapport with patients, contributing to improved communications among all stakeholders involved in care delivery. Engaged in ongoing education initiatives designed to inform families about managing chronic conditions.

- Provided daily health support and assisted clients with their daily living activities.
- Streamlined patient transitions between home care and hospital settings by fostering collaboration with other healthcare providers.
- Organized educational sessions for families to promote proactive health management.
- Documented all findings and care procedures comprehensively in electronic health records.

Nursing Intern

Springfield Medical Center | June 2022 - May 2023 | Springfield, IL

Supported licensed nurses by undertaking various hands-on roles under supervision, gaining valuable real-world nursing experience. Involved in procedural assistance and ensuring accurate documentation of patient information to adhere to compliance standards.

- Acquired practical skills necessary for effective nursing performance through patient interactions.
- Contributed to patient education efforts, particularly in disease prevention.
- Assisted with conducting clinical procedures following established protocols and guidelines.
- Collaborated with nursing staff in evaluating and improving office workflow practices.
