SUMMARY

Committed Coding Representative with over two years of experience in medical coding, specializing in ICD-10-CM and ICD-10-PCS systems. Proven expertise stems from engaging with healthcare professionals to ensure accuracy in patient records while providing outstanding customer service. Adept at interpreting regulatory guidelines and maintaining a thorough understanding of coding processes. Passionate about continuous improvement and education, actively embracing changes within the industry to enhance efficiency. Thrives in collaborative settings, actively supporting a positive environment for peers through training and knowledge sharing.

EXPERIENCE

Coding Specialist

HealthTech Services 📅 June 2025 - Present 📍 Cincinnati, OH

Oversee medical coding processes as a Coding Specialist at HealthTech Services. Collaborates with healthcare providers and ensures high standards of patient data accuracy and compliance with ICD-10 guidelines.

- Conducted comprehensive reviews of medical records, leading to a marked decrease in coding errors.
- Enhanced documentation review processes by building strong relationships with healthcare providers.
- Provided orientation and ongoing education to new team members, fostering skills in coding practices.
- Implemented efficient data entry techniques that streamlined patient information retrieval.
- Participated actively in workshops related to changes in coding standards, ensuring up-to-date compliance.
- Maintained exceptional service delivery scoring positive feedback from diverse stakeholders.

Junior Coding Analyst

MediCode Solutions 📅 January 2024 - May 2025 📍 Cincinnati, OH

Functioned as a Junior Coding Analyst focusing on accurate support for coding practices within MediCode Solutions, contributing meaningfully toward team efficiency and operational improvements.

- Supported daily coding efforts, assisting in maintaining accurate and compliant diagnoses documentation.
- Facilitated regular audits to uphold compliance with coding guidelines, enhancing overall practice accuracy.
- Engaged continuously in skill enhancement activities to improve coding effectiveness.
- Collaborated with colleagues to revamp workflow, achieving reduced record turnaround time.
- Documented discrepancies proactively, enabling swift resolutions for critical coding challenges.
- Created a reference guide to assist new hires, elevating onboarding experiences significantly.
