- Education & Training
- Compassionate Advocacy

SUMMARY

Empathetic and detail-oriented registered nurse with over three years in community health and hospice care, adept at assessing patient needs and developing tailored care plans. Always aim for effective communication within multidisciplinary teams, ensuring collaboration and positive outcomes. Experienced in maintaining accurate patient records and managing symptom relief under varying conditions. Passionate about family education regarding health management, fostering a comfortable environment for both patients and their families. Eager to contribute positively through improved patient care and support services at BrightCare Health Services.

EXPERIENCE

Registered Nurse

CareWell Health Services 📅 March 2023 - Present 📍 Fort Wayne, IN

Deliver nursing assessments and collaborate with diverse healthcare teams, providing comprehensive home health care solutions.

- Conduct thorough initial nursing evaluations for patients, assessing health and care needs accurately.
- Work closely with interdisciplinary teams to create and execute individualized patient care plans.
- Educate patients and their families on condition management and treatment procedures.
- Ensure compliance with all healthcare documentation practices, maintaining essential patient records.

Community Health Nurse

HomeCare Solutions 📅 June 2021 - February 2023 📍 Bloomington, IN

Provided comprehensive nursing care while adjusting treatment protocols in a community setting.

- Administered healthcare services in homes, aligning care plans with established medical advice.
- Collaborated with physicians and other professionals to coordinate unified patient care efforts.
- Monitored changes in patient conditions, demonstrating responsiveness to evolving health needs.
- Trained incoming nursing staff on established best practices and care standards.

Nursing Intern

University Hospital 📅 September 2020 - May 2021 📍 Indianapolis, IN

Assisted seasoned nurses in a fast-paced hospital setting, gaining valuable insights into acute patient care.

- Supported nursing team in delivering patient care services efficiently within tight timelines.
- Performed vital sign assessments and meticulously recorded detailed patient histories.
- Acquired knowledge related to health education, focusing on preventive health strategies.
- Helped foster a supportive healing atmosphere by assisting in patient comfort measures.

LEADERSHIP & AWARDS

- Recipient of the Best Caregiver Award for exemplary patient service and commitment to quality.
- Recognized for Outstanding Contribution to Team Healthcare Initiatives at HomeCare Solutions.
