SUMMARY

Creative content creator with over 2 years of experience in digital content production and social media management. Proven expertise includes crafting engaging short-form content for platforms like TikTok and Instagram, enhanced by a solid grasp of current trends and meme culture. Strong writing abilities complement skills in graphic design and video editing, paving the way for timely and shareable material in fast-paced environments. This background enables the ideation and execution of social-first campaigns that drive audience engagement while elevating brand presence. Eager to leverage these talents in an exciting new role.

EXPERIENCE

Social Media Content Creator

Vibrant Media  January 2025 - Present  Remote

Role focuses on developing and executing dynamic social media strategies across various platforms. Created high-quality original content tailored specifically for target audiences while collaborating closely with diverse teams to maintain brand integrity.

- Developed and executed social media content strategies aligning with brand objectives, resulting in notable increases in engagement.
- Captured and optimized original content for platforms like TikTok and Instagram, boosting visibility and user interaction.
- Authored compelling, platform-specific copy improving overall post engagement significantly.
- Analyzed trending memes and user-generated content, crafting timely posts that resonated with cultural moments.
- Collaborated with cross-functional teams to innovate content representing brand voice and ideals.
- Utilized graphic design and editing tools to create visually engaging assets consistent across platforms.

Digital Content Specialist

NextGen Creatives  June 2024 - December 2024  Los Angeles, CA

Contributed to creating impactful digital content aimed at enhancing brand storytelling along popular social media platforms. Actively engaged in refining content through data analytics to align with user dynamics.

- Assisted in developing engaging digital content centered on short-form video production, enriching storytelling efforts.
- Conducted in-depth research on best practices across social media platforms, forming more effective content strategies.
- Captured genuine video content for campaigns ensuring alignment with authentic brand messaging.
- Monitored social performance metrics regularly, providing insights that shaped future projects.
- Worked with creative teams to adapt pre-existing content maximizing reach and audience interaction.
- Jointly created seasonal campaigns that resonated with contemporary cultural interests.
