EXPERIENCE

Content Creator

University Project 📅 January 2025 - Present 📍 Remote

This role supports content creation for a project team, focusing on gaming technology. Leveraged various platforms to engage audiences around educational and entertaining content.

- Hosted interactive live streaming sessions on YouTube and Twitch, showcasing custom-built PCs.
- Crafted educational videos covering hardware reviews and setup guides, appealing to all skill levels.
- Produced dynamic short-form content for TikTok and Instagram Reels, significantly enhancing audience engagement.
- Translated complex hardware concepts into digestible formats, fostering deeper interest in gaming tech.
- Partnered with peers to devise effective marketing strategies, elevating project visibility online.
- Staying current on gaming trends ensured that all produced content appealed to target demographics.

Video Editing Intern

Academic Research 📅 May 2024 - December 2024 📍 Remote

Focused on video editing and production support, contributing valuable insights and practices within an academic setting.

- Enhanced promotional videos through expert editing using Adobe Premiere Pro and DaVinci Resolve.
- Crafted compelling video scripts highlighting technical specs and approachable tips.
