SUMMARY

Detail-oriented Cost Accountant with over 5 years of experience in manufacturing finance and cost management. Proven expertise in month-end close processes, variance analysis, and financial reporting. Skilled in collaborating with cross-functional teams to enhance operational efficiency and drive financial performance. Strong analytical skills complemented by proficiency in ERP systems and Excel, with a solid understanding of US GAAP. Eager to leverage deep knowledge of inventory accounting and cost allocation for Innovative Financial Solutions, delivering impactful insights that foster profitability and growth while adhering to industry best practices.

EXPERIENCE

Cost Accountant

Synergy Manufacturing  April 2022 - Present  Woodstock, IL

- Oversee month-end closing activities, ensuring accurate cost roll-ups and detailed reconciliations. Responsible for generating insightful cost performance reports that guide strategic decisions and enhance process efficiencies.
- Lead monthly cost accounting close processes for multi-site manufacturing operations.
 - Conduct thorough variance analysis, presenting findings and recommendations that drive informed decision-making.
 - Collaborate closely with Operations, Supply Chain, and Finance teams on cost-saving initiatives.
 - Facilitate standard cost updates, reflecting changes in production variances accurately.
 - Enhance compliance and data accuracy through improved internal controls.
 - Mentor junior accountants, elevating team competencies and fostering collaborative culture.

Cost Analyst

Precision Industries  June 2020 - March 2022  Shawano, WI

- Emphasized efficiency in financial reporting and cost management strategies. Provided critical financial insights that assisted in shaping pricing strategies and investment evaluations.
- Analyzed key cost performance metrics, influencing effective pricing model adjustments.
 - Developed automated cost reporting solutions that significantly improved data integrity.
 - Teamed with Finance to evaluate the financial viability of capital expenditure proposals.
 - Contributed to a synergistic work environment via onboarding support and training for new team members.
 - Implemented GAAP-aligned cost allocation methodologies enhancing transparency.
 - Assisted in detailing budget forecasts and cost projections impacting future planning.

Junior Cost Accountant

Vertex Solutions  August 2018 - May 2020  Madison, WI

- Supported diverse accounting functions which reinforced foundational skills crucial for career advancement. Engaged in comprehensive analyses regarding member inquiries during audits.
- Assisted with month-end close procedures, focusing on the reconciliation of cost-related accounts.
 - Executed inventory valuation assessments aligning with both corporate policies and GAAP requirements.
 - Actively participated in inter-departmental collaborations for cost structure reviews.
 - Supported external audit processes by preparing essential documentation and clarifications.
 - Played a vital role in creating internal reports enhancing visibility into cost analytics.
 - Engaged in initiatives aimed at streamlining organizational cost-management practices.

LEADERSHIP & AWARDS

- Achieved 'Employee of the Month' recognition twice for outstanding contributions to cost management excellence.
- Received commendation from senior leadership for developing innovative reporting templates that improved financial oversight.
