SUMMARY

Creative content producer with over 4 years' experience in multimedia storytelling and production. Proven success in developing engaging narratives across platforms such as LinkedIn, Instagram, and TikTok. Strong organizational skills aid in managing multiple projects from concept through delivery, ensuring alignment with strategic goals. Proficient collaborating with cross-functional teams and nurturing partnerships while embracing feedback to enhance work quality. Experienced using AI tools for optimizing content creation workflows and analytics, significantly boosting interaction and engagement. Eager to contribute creative talent at a dynamic company invested in compelling brand narratives.

EXPERIENCE

Content Producer

University Project | January 2025 – May 2026 | Remote

Oversaw multimedia content creation for academic efforts, coordinating all facets of production from planning to post-production. Delivered clear narratives that engaged student audiences and faculty stakeholders effectively. Managed collaborative outputs and implemented improvements based on peer reviews resulting in enhanced project reception.

- Developed video scripts and storyboards that captured essential academic insights.
- Spearheaded team meetings to design production timelines and responsibilities.
- Introduced communication tools that improved asset accessibility for peers.
- Enhanced content feedback loops by implementing structured review sessions.
- Drove initiatives introducing AI tools that streamlined editing processes.
- Analyzed performance metrics to inform future project strategies and adaptations.

Digital Media Research Assistant

Academic Research | September 2024 – December 2024 | Atlanta, GA

Contributed to a university research project focused on digital storytelling techniques. Engaged in extensive collaboration with faculty, enhancing skills in multimedia content production and analysis while managing logistical timelines directly impacting successful deliverables.

- Crafted and edited narrative content focused on research-driven insights.
- Coordinated and maintained a detailed content calendar ensuring timely project execution.
- Participated in inter-departmental workshops refining technical capabilities.
- Formulated social media drafts amplifying the project's visibility among academic circles.
- Collaborated closely with faculty about findings shared at national conferences.
- Produced analytical reports that assessed digital content resonance and effectiveness.

LEADERSHIP & AWARDS

- Awarded Outstanding Projects Recognition (2025) for innovative storytelling in multimedia activities during graduate studies.
- Received Dean's Award in Excellence (2024) recognizing significant contributions to academic communicative scholarship.
