Hiring Manager
Bright Future Finance
Milwaukee, WI

Dear Hiring Manager,

I am eager to express my interest in the Credit Analyst Internship position at Bright Future Finance, a role that intrigues me due to its blend of analytical rigor and collaborative engagement which aligns seamlessly with my ambition in finance.

This internship presents an exhilarating opportunity to apply my skills, analyzing customer orders and conducting thorough financial statement evaluations, while directly contributing to the vital assessment of clients' creditworthiness, thereby supporting Bright Future Finance's commitment to sustainable growth and excellence.

In my current position as a Credit Analyst at Green Valley Financial Services, I engaged deeply in analyzing customer credit applications; the outcomes bolstered accurate credit assessments, and I learned invaluable lessons about teamwork and the complexities of financial health assessments, even facing moments of self-doubt when leading presentations.

My tenure at Riverstone Capital, providing support during financial evaluations, offered the chance to sharpen not just technical acumen but also effective communication abilities, essential for collaborating with diverse teams, which resonates closely with Bright Future Finance's approach.

This role is more than just an internship; it is an avenue for growth, reinforcement of my analytical skills, and alignment with a company that values innovation and integrity, pushing my boundaries in the field of finance.

I appreciate your time and consideration.

Sincerely,

Aylin Butler
