EXPERIENCE

Credit Analyst

Green Valley Financial Services 📅 January 2025 - Present 📍 Chicago, IL

Brought comprehensive analysis and sharp decision-making to evaluate credit applications and provide actionable insights into client financial health. Improvised reporting methods to improve clarity for management discussions and enhance financial strategies across departments.

- Conduct detailed analyses of customer credit applications to determine approvals.
- Collaborate closely with finance and accounting groups to achieve accuracy in assessments.
- Develop concise reports and presentations geared towards informing strategic decisions.
- Implement streamlined methodologies that bolster interdepartmental communication.

Finance Intern

Riverstone Capital 📅 June 2024 - December 2024 📍 Chicago, IL

Assisted senior analysts in evaluating client financial standings and served as a liaison when communicating crucial data to clients. Eagerly engaged with documentation processes while gaining exposure to various financial evaluation tools.

- Evaluated client financial health for decision support.
- Helped prepare important financial reports that influence company strategies.
- Interacted directly with clients, resolving inquiries and gathering documentation.
- Shadowed experienced analysts, adopting best practices in finance.
