Dedicated individual committed to delivering exceptional service in fast-paced dining environments. Proven effectiveness in enhancing customer experiences through positive interactions and teamwork. Engaged in detailed food preparation while following strict safety standards. Collaborated with team members to exceed organizational objectives, maintaining a clean and organized workplace. Fueled by opportunities for personal growth and skill development, actively participated in training programs focused on career enhancement.

EXPERIENCE

Crew Team Member

Fast Food Ventures 📅 June 2026 - Present 📍 Pittsburgh, PA

Played a key role in customer engagement at an independent fast-food restaurant, ensuring satisfaction and quality service. Addressed varied customer needs while maintaining food safety and cleanliness standards critical to service delivery.

- Connected with customers for effective feedback, driving repeat visits and fostering loyalty.
- Assisted diners with menu choices, elevating their experience through clear and upbeat communication.
- Executed meticulous food preparation aligned with franchise quality guidelines, safeguarding safety protocols.
- Collaborated closely with coworkers to achieve daily targets and streamline operations for peak times.
- Maintained high cleanliness levels throughout the restaurant, enhancing both atmosphere and culinary hygiene.
- Engaged in continuous learning via training programs aimed at advancing skills within the company.

Team Member

University Project 📅 January 2026 - May 2026 📍 Pittsburgh, PA

Contributed to a dynamic academic initiative designed to enhance customer service in fast-food settings. Engaged actively with peers to gather insights and develop strategies for operational improvements.

- Participated in group discussions to brainstorm innovative strategies for customer engagement.
- Conducted surveys targeting customer satisfaction, analyzing feedback for actionable enhancements.
- Presented project findings to peers, showcasing effective customer service as a core element of success.
- Utilized multimedia tools for presentations, improving audience engagement and retention of information.
- Implemented streamlined strategies during drills simulating busy work periods, improving service rate.
- Developed a foundational training outline for new staff emphasizing first-rate customer interaction practices.
