SUMMARY

Early career **customer service** candidate and current high school student prepared for quick service restaurant work through supervised service simulations and safety labs. Practiced friendly greetings, order clarification, respectful guest responses, teamwork, **food and beverage** service routines, workstation organization, and cleanliness. Read safety rules, **operating instructions**, procedure manuals, and training materials before evaluated exercises, then followed each sequence carefully. Built reliable attendance habits, access to reliable transportation, readiness for flexible scheduling, and willingness to complete paid training. Extended standing practice and **safe movement** activities supported workplace readiness. Feedback from instructors and peers improved communication, cooperation, and positive service behavior. Ready to support guests and coworkers with dependable effort, safe habits, and a welcoming attitude.

EXPERIENCE

Customer Service Trainee, Quick Service Experience Simulation

August 2026 - Present

Academic Research

Winston-Salem, NC

Supervised practice role focused on guest interaction, order communication, service procedures, safety sequencing, workstation readiness, and teamwork. Supported evaluated simulations that connected friendly service with clean, safe, dependable operations.

- Practiced guest **greetings** and **order clarification** during supervised service scenarios, building respectful customer interactions.
- Followed **safety rules** and **training materials** before simulations, then completed procedures in correct sequence.
- Organized workstations during timed labs, maintaining **cleanliness** and safe movement through extended standing practice.
- Applied instructor feedback after service exercises, improving communication, cooperation, and positive guest responses.
- Used safe team lifting technique during training, requesting assistance when loads required additional support.
- Prepared a service checklist covering attendance, **flexible scheduling**, training lessons, and workplace readiness.

Workplace Safety Trainee, Service Readiness Lab

January 2026 - May 2026

Student Lab

Winston-Salem, NC

Supervised lab experience centered on operating instructions, procedure manuals, safe movement, service communication, and cooperative problem solving. Practiced dependable habits for **food and beverage** settings through structured exercises and peer review.

- Completed supervised greetings and **order clarification** exercises, responding respectfully to guest requests and teammate needs.

- Read **operating instructions** and **procedure manuals** before practice, demonstrating accurate steps during evaluated activities.
- Maintained organized work areas during standing labs, supporting cleanliness, **safe movement**, and service readiness.
- Used peer feedback to improve clear communication, friendly demeanor, and cooperative problem solving during simulations.
- Demonstrated safe lifting technique with training loads, identifying when heavier items required assistance.
- Documented training lessons and attendance expectations in a checklist, supporting **flexible scheduling** readiness.

PROJECTS

Service Readiness Checklist 📅 2026

A checklist can turn good intentions into repeatable service habits. Documented safety rules, attendance expectations, flexible scheduling readiness, lifting assistance needs, and lessons from supervised customer service practice.
