SUMMARY

Cybersecurity professional brings over four years' experience specifically focused on operational technology and industrial automation security. Proven expertise managing cybersecurity initiatives, developing implemented strategies compliant with corporate standards. Collaborative mindset aids effective communication between technical teams and non-technical stakeholders. Committed to enhancing manufacturing processes while minimizing risks. A track record of leading successful projects across various industrial environments demonstrates not just technical knowledge but a strong ability to address real-world challenges.

EXPERIENCE

Cyber Security Analyst

June 2021 - Present

TechSecure Solutions

Chicago, IL

Oversees the implementation of OT cybersecurity measures across multiple sites. Collaborates closely with engineering teams while maintaining compliance with industry regulations.

- Executed OT cybersecurity strategies ensuring efficient protection across various manufacturing locations.
- Collaborated with cross-functional teams verifying all new automation projects met stringent cybersecurity protocols.
- Performed comprehensive audits identifying weaknesses, offering actionable improvements in security infrastructure.
- Conducted tailored training sessions cultivating heightened awareness among staff about evolving cybersecurity threats.

IT Security Intern

January 2020 - May 2021

CyberGuard Systems

Chicago, IL

Supported the team in developing security protocols for operational settings, building foundational skills in cybersecurity across diverse environments.

- Assisted with crafting critical cybersecurity protocols leading to measurable reductions in incidents within operations.
- Monitored security events, providing insights that directly enhanced incident response processes.
- Researched emerging threats, translating findings into strategic recommendations for improved defenses.

LEADERSHIP & AWARDS

- Recognized Employee of the Month for outstanding contributions to project completions.
- Led cross-departmental collaboration that resulted in streamlined project execution, boosting overall efficiency.

EDUCATION

Bachelor's Degree in Cybersecurity

2021

University of Illinois at Chicago GPA: 3.5

Chicago, IL

Coursework: Cybersecurity Frameworks, Incident Response, Risk Management, IT/OT Networking

CERTIFICATIONS

- Certified Information Systems Security Professional (CISSP) 📅 2022
- CompTIA Security+ 📅 2021

TECHNICAL SKILLS

- **Cybersecurity Tools:** Firewalls, Intrusion Detection Systems, Security Information and Event Management
- **Automation Tools:** Ansible, Puppet, Chef
- **Networking Equipment:** Cisco Routers, Switches, Firewalls
- **Testing Tools:** Nessus, Metasploit, Wireshark
- **Documentation Tools:** Confluence, SharePoint, Microsoft Office
- **Monitoring Tools:** Nagios, Zabbix, SolarWinds
- **Operating Systems:** Windows, Linux, Unix
- **Cloud Technologies:** AWS, Azure, Google Cloud
- **Version Control:** Git, SVN, Mercurial
- **Database Management:** MySQL, PostgreSQL, MongoDB

SKILLS

- Cybersecurity Frameworks
- IT/OT Networking
- Risk Assessment
- Incident Response
- Project Management
- Compliance Auditing
- Data Protection
- Vulnerability Analysis
- Security Policies
- Technical Documentation
- Systems Monitoring
- Audit Compliance
- Threat Intelligence
- User Training
- Network Security

PROFESSIONAL AFFILIATIONS

- Active member of the Chicago Cybersecurity Meetup, sharing knowledge and networking with peers.
- Participating contributor to local workforce development initiatives focusing on youth in technology.

LANGUAGES

- English (Native)
- Spanish (Proficient)
