

Michael Thompson

Cybersecurity IT Audit Manager

☎ (312) 555-0198 ✉ michael.thompson@example.com 🌐 linkedin.com/in/michaelthompson 📍 1234 Maple Avenue, Chicago, IL 60614

SUMMARY

Dynamic Cybersecurity IT Audit Manager with over 6 years of extensive experience in conducting IT audits and security assessments, focusing on public sector clients. Proven track record of managing multiple projects and leading teams through the full project lifecycle. Strong understanding of information security frameworks and risk assessment methodologies. Committed to delivering high-quality work and fostering team development through training and mentorship. Eager to contribute innovative solutions to drive organizational success.

EXPERIENCE

Cybersecurity IT Audit Manager

Innovative Solutions Group 📅 May 2021 - Present 📍 Chicago, IL

Oversaw IT audits and security assessments for diverse public sector clients, ensuring adherence to necessary standards and regulations. Managed complete project lifecycles while maintaining high client satisfaction throughout. Provided mentorship and guidance to junior team members to foster their growth and competency in audit processes.

- Conducted comprehensive IT audits ensuring compliance with regulatory standards.
- Managed project scopes, budgets, and communications with various stakeholders.
- Mentored junior staff on audit practices, enhancing team skill sets.
- Engaged in practice development activities, expanding client relationships.

IT Audit Associate

TechSecure LLC 📅 June 2019 - April 2021 📍 Chicago, IL

Assisted in executing IT audits focusing on security compliance recommendations, collaborating directly with clients to provide clear project scopes and reporting. Maintained quality assurance through meticulous review of deliverables.

- Executed IT audits diligently to measure adherence to established security frameworks.
- Collaborated with clients to define precise project scopes and expectations.
- Ensured high-quality deliverables through rigorous quality control processes.
- Participated actively in team meetings to share insights and develop strategies.
