

Marcus Thompson

Cybersecurity Senior Consultant

 (312) 555-6732  marcus.thompson@example.com  linkedin.com/in/marcusthompson  2345 Oak St, Arlington Heights, IL 60004

STRENGTHS

-  **Exceptional Analytical Skills**
Ability to sift through complex data sets and pinpoint vulnerabilities or trends promptly.
-  **Strong Communicator**
Articulated technical subjects clearly, earning trust and confidence from clients and team members alike.
-  **Team Collaboration**
Worked effectively in diverse teams, cultivating an environment ripe for collaboration and innovation.
-  **Continuous Learner**
Engaged actively in webinars and courses, keeping knowledge current to tackle emerging threats head-on.
-  **Proficient in Leading Projects**
Led multiple cybersecurity projects, consistently meeting timelines while maintaining quality standards.

SKILLS

OT/ICS Cybersecurity
Risk Assessment
Vulnerability Management
Incident Response Clarity
CrowdStrike Splunk
NIST Standards
Compliance Management
Firewall Configuration
Threat Detection
Remote Access Security
Network Segmentation

SUMMARY

Cybersecurity professional with over 8 years of experience specializing in operational technology and industrial control systems. Proven expertise in designing and implementing cybersecurity solutions within critical infrastructure sectors, including energy and manufacturing. Proficient in utilizing advanced tools such as Clarity, CrowdStrike, and Splunk to enhance security measures and ensure compliance with industry standards. Recognized for leading cross-functional teams to deliver innovative security architectures and conducting risk assessments to identify and mitigate vulnerabilities. Committed to continuous learning and staying updated on emerging threats to develop robust cybersecurity frameworks.

EXPERIENCE

Senior Cybersecurity Consultant

Tech Innovations Group  January 2020 - Present  Arlington Heights, IL

Designed and implemented security architectures for clients in the energy sector, enhancing the safety and reliability of their operational technology systems.

- Conducted comprehensive risk assessments and vulnerability management efforts, significantly reducing cyber risks across client environments.
- Developed and delivered training programs for client personnel, improving awareness and compliance with cybersecurity policies.
- Collaborated with IT and OT teams to create incident response plans tailored to industrial environments, integrating monitoring tools for effective threat detection.
- Coordinated with cross-functional teams to implement preventative measures and streamline processes for enhanced cybersecurity.

Cybersecurity Analyst

Cyber Defense Solutions  June 2015 - December 2019  Chicago, IL

Assisted in deployment of cybersecurity technologies, ensuring client systems remained compliant with regulations.

- Conducted security acceptance testing for new OT systems, ensuring adherence to regulatory compliance.
- Supported incident response activities, leveraging tools like Splunk for log aggregation and analytics.
- Collaborated with rapid response teams during security incidents, improving resolution times.
- Created detailed reports documenting testing outcomes and improvement recommendations for internal stakeholders.

LEADERSHIP & AWARDS

- Awarded 'Top Consultant of the Year' for excellence in cybersecurity solutions implementation.
- Recognized for outstanding service in elevating cybersecurity awareness among client organizations.

EDUCATION

Bachelor's Degree in Computer Science

University of Illinois at Chicago  GPA: 3.6  2015  Chicago, IL

Coursework: Programming, Cybersecurity, Network Architecture, Systems Analysis

Security Testing

Industrial Control Systems

Client Relationship Management

LANGUAGES

English Native

Spanish Intermediate

MY CAREER

● Senior Cybersecurity Consultant at Tech Innovations Group (6.3 Years)

● Cybersecurity Analyst at Cyber Defense Solutions (4.5 Years)

CERTIFICATIONS

- Certified Information Systems Security Professional (CISSP) 📅 2019
- Certified Information Security Manager (CISM) 📅 2020

TECHNICAL SKILLS

- **Project Management Tools:** Trello, Asana, Microsoft Project
- **Monitoring Tools:** Splunk, CrowdStrike, Nagios
- **Networking Technology:** Cisco, Palo Alto, Cradlepoint
- **Vulnerability Scanning Tools:** Claroty, Rapid7, Nessus
- **Incident Management Systems:** ServiceNow, Jira, Remedy
- **Compliance Frameworks:** NIST, ISO 27001, COBIT
- **Remote Access Management:** BeyondTrust, VPN Solutions, RDP
- **Testing Methodologies:** Penetration Testing, Vulnerability Assessment, Risk Assessment
- **Industry Standards:** IEC 62443, NERC CIP, IIoT Security Standards
- **Documentation Tools:** Confluence, SharePoint, Google Docs

PROFESSIONAL AFFILIATIONS

- Member of the Information Systems Security Association (ISSA).
- Active participant in local cybersecurity meetups and workshops.
