## SKILLS

- Data Analysis
- Excel
- Power BI
- Healthcare Analytics
- SQL
- Reporting
- Data Visualization
- Dashboard Development
- Data Cleaning
- Trend Analysis
- Problem-Solving
- Business Intelligence
- Ad hoc Reporting
- Data Manipulation
- Payer Strategy
- Revenue Cycle Operations

## EXPERIENCE

### Data Analyst Intern

Healthcare Analytics Group

June 2023 - Present

Chicago, IL

At Healthcare Analytics Group, responsible for analyzing healthcare revenue cycle data and developing dashboards. The role involves collaborating with cross-functional teams to provide insights and visualize key performance indicators effectively.

- Analyzed revenue cycle data to identify performance trends and operational efficiencies across multiple healthcare markets.
- Built and maintained dynamic dashboards in Power BI to visualize key performance metrics, improving access to insights for stakeholders.
- Assisted in reporting on claims activity and payer performance, contributing to strategic initiatives with actionable recommendations.
- Cleaned and organized large datasets, ensuring accuracy and reliability for analytical projects.

### Data Analytics Intern

University Analytics Lab

January 2022 - May 2023

Chicago, IL

Engaged in numerous academic research projects focused on data validation and visualization techniques, enhancing the presentation of data insights. Worked closely with faculty, supporting ongoing research with practical analytical applications.

- Developed comprehensive reports and visualizations for academic research projects, enhancing data presentation for various stakeholders.
- Gained hands-on experience in data validation and analysis, improving project outcomes through attention to detail.
- Worked closely with faculty to support ongoing research initiatives, contributing to published findings in the field of healthcare analytics.
- Presented findings to peer groups, honing communication skills essential for effective translation of data insights.

## LEADERSHIP & AWARDS

- Outstanding Academic Achievement Award for exemplary performance in Data Analytics coursework.
- Research Presentation Award for presenting health data analysis at the University Analytics Conference.

## CERTIFICATIONS

- Power BI Certification 2023
- Excel for Data Analysis 2025

## PROFESSIONAL AFFILIATIONS

---

- Member of the Data Analytics Student Association, participating in professional development and networking events.
- Volunteer at Local Food Bank, assisting with data collection to improve operational efficiency.

## LANGUAGES

---
