## Data Analyst

📞 (619) 555-4321 ✉️ liam.johnson@example.com 🔗 linkedin.com/in/liamjohnson 📍 1234 Oak Lane, San Diego, CA 92101

### STRENGTHS

- Collaboration**  
Worked seamlessly with various teams, becoming a trusted point of contact for data-related inquiries.
- Detail-oriented**  
Ensured every document generated was precise, catching potential errors before they became issues.
- Mentoring**  
Took initiative to mentor new analysts, helping them acclimatize to processes and standards.
- Problem-solving**  
Approached challenges with creative solutions, especially during critical project phases.
- Technical expertise**  
Utilized advanced knowledge in SQL and Python to drive improvements in data-related processes.

### SKILLS

SQL Python Snowflake  
Data Lineage API Integrations  
Data Profiling  
Business Requirement Documentation  
Medialion Architecture  
JSON Parsing  
Data Transformation  
Data Accuracy Data Validation  
Technical Documentation  
Stakeholder Engagement  
User Acceptance Testing

### SUMMARY

Dedicated Data Analyst with over 8 years of experience in enterprise data environments. Skilled in SQL, Python, and Snowflake for data validation, analysis, and reporting. Demonstrated success in translating complex business needs into precise functional documentation, ensuring data accuracy through collaboration with stakeholders. Expertise includes API data ingestion and thorough data lineage analysis, streamlining reporting processes across the organization. Experience in leading data modeling projects and mentoring junior analysts to enhance team performance. Aim is to leverage these skills in supporting innovative data solutions.

### EXPERIENCE

#### Data Analyst

Tech Innovators Inc. 📅 March 2021 - Present 📍 San Diego, CA

Collaborates closely with business teams to ensure accurate data acquisition strategies and reporting requirements.

- Gathers and validates reporting requirements with business stakeholders for alignment in data management.
- Creates detailed functional and technical documentation supporting key initiatives within the organization.
- Develops and maintains Source-to-Target mapping documents, capturing data transformations accurately.
- Conducts rigorous data lineage analysis using Snowflake, ensuring integrity across multiple reporting layers.

#### Junior Data Analyst

Data Solutions Corp. 📅 June 2018 - February 2021 📍 San Diego, CA

Assisted in drafting crucial documentation to communicate between technical and business teams effectively.

- Compiled Business Requirement Documents (BRDs) and Functional Requirement Documents (FRDs).
- Executed data profiling and reconciliation tasks leveraging SQL to assure consistency and accuracy.
- Supported User Acceptance Testing, troubleshooting discrepancies ensuring quality user experiences.
- Partnered with technical teams to streamline workflows, bolstering operational efficiency.

### LEADERSHIP & AWARDS

- Recognized as 'Employee of the Month' at Tech Innovators Inc. for outstanding project contributions.
- Achieved 'Best Team Player' award during the annual review for exceptional collaborative efforts.

### EDUCATION

#### Bachelor's Degree in Computer Science

University of California, San Diego 🎓 GPA: 3.8 📅 2018 📍 La Jolla, CA

**Coursework:** Data Structures, Database Management, Software Engineering, Data Analysis

### CERTIFICATIONS

- SQL Certification 📅 2020

## LANGUAGES

English Native

Spanish Proficient

## MY CAREER

● Data Analyst at Tech Innovators Inc. (5.2 Years)

● Junior Data Analyst at Data Solutions Corp. (2.7 Years)

- Python for Data Science Certification 📅 2020

## TECHNICAL SKILLS

- **SQL:** High
- **Python:** High
- **Snowflake:** High
- **API Integration:** Medium
- **Data Profiling:** High
- **Data Mapping:** High
- **Documentation:** High
- **Business Analysis:** Medium
- **Medialion Architecture:** Medium
- **Transformation Specs:** Medium

## PROFESSIONAL AFFILIATIONS

- Member of the Data Science Society at UC San Diego, fostering community collaboration.
- Active participant in local Meetups focusing on Data Analytics and Technology advancements.
