

SUMMARY

Logistics professional with over 2 years of experience excelling in inventory management, customer service, and the assembly and installation of electronic components. Proven ability to manage materials efficiently, working collaboratively to meet tight deadlines while ensuring safety and quality standards are upheld. Excellent critical thinking skills enable informed decision-making based on data to optimize operations. Experience operating material handling equipment and implementing best practices for cleanliness and organization. Committed to fostering strong customer relationships and contributing positively to team dynamics to achieve business goals.

EXPERIENCE

Warehouse Associate June 2025 - Present
ABC Logistics Columbus, OH

Currently serving as a Warehouse Associate, supporting daily logistics operations through effective inventory management and quality assurance. Facilitate the assembly of electronic components with precise execution, and operate material handling equipment, maintaining compliance with safety regulations.

- Managed inventory levels by executing daily cycle counts, refilling critical spare parts promptly.
- Conducted thorough quality checks on shipments, ensuring accuracy with company benchmarks.
- Collaborated with team members to install electronic components using hand and power tools safely.
- Operated electric pallet jacks and straddle stackers, streamlining shipment processes.
- Advocated for 5S methodology leading to organized and safer workspaces.
- Trained new hires on major operational protocols, reinforcing productivity standards.

Dock Worker January 2024 - May 2025
DEF Logistics Akron, OH

Served as a Dock Worker, focusing on loading and unloading freight, inventory processing, and enhancing customer satisfaction through exceptional service. Collaborated effectively within teams to ensure seamless operations while adhering to policies and safety standards.

- Played a key role in loading and unloading freight, emphasizing safe handling of all materials.
- Diligently processed return shipments, improving overall inventory flow during audits.
- Utilized analytical skills to address shipment errors, contributing to enhanced customer relations.
- Communicated with customers effectively, building trust and facilitating operational success.
- Maintained high safety standards within the workspace, aligning with company policies.
- Engaged in teamwork to fulfill operational objectives through communication and collaboration.

LEADERSHIP & AWARDS

- Received Employee of the Month at ABC Logistics for outstanding performance and dedication in June 2026.
- Achieved recognition for mentoring new team members, enhancing their onboarding experience during 2025.
