SUMMARY

Dedicated and experienced Dermatologist with extensive expertise in Medical, Surgical, and Aesthetic Dermatology. Passionate about delivering high-quality care to diverse patient populations while fostering teamwork. Proficient in a wide array of dermatological procedures and treatments, prioritizing patient wellness through innovative solutions. Skilled in establishing effective relationships within multi-disciplinary teams, ensuring optimal patient outcomes. Eager to join an organization that values professional growth and the balance between work and life for its practitioners.

EXPERIENCE

Dermatologist

Blue Sky Dermatology June 2023 - Present Irvine, CA

Provide comprehensive medical, surgical, and aesthetic dermatological services within a collaborative team environment. Prioritize patient-centered approaches to enhance wellness.

- Conduct thorough skin examinations and assess patients' conditions accurately.
- Administer various procedural dermatology treatments, including excisions and cosmetics.
- Collaborate effectively with medical staff to implement patient care plans.
- Engage in continuous education to stay abreast of dermatological advancements.

Resident Physician

UCI Medical Center July 2020 - June 2023 Irvine, CA

Gained hands-on experience managing diverse dermatologic conditions, honing essential skills in patient diagnosis and treatment.

- Participated in multidisciplinary rounds to develop holistic care strategies.
- Performed cosmetic procedures under supervision, ensuring patient satisfaction.
- Established strong relationships with patients, enhancing their trust and comfort.
- Guided medical students in practical applications during clinical rotations.

Intern

California Dermatology Clinic May 2019 - May 2020 Santa Monica, CA

Supported clinicians in administering dermatological treatments while learning about patient interactions and clinic operations.

- Assisted in patient intake and documented medical histories.
- Learned surgical techniques including suturing and cryotherapy.
- Served as an active participant in patient education sessions on skincare.
- Contributed to optimized workflow processes boosting clinic efficiency.
