

STRENGTHS

- Needs Based Selling

Customer conversations start with careful questions. Coverage discussions then feel useful, clear, and grounded in real needs.
- Customer Retention

Follow up keeps relationships active. Consistent check ins helped customers feel supported after initial conversations.
- Clear Communication

Coverage details can feel confusing. Plain explanations helped customers make more comfortable choices.
- Organized Follow Up

Accurate interaction records kept next steps visible. A simple routine made outreach easier to manage.
- Community Outreach

Local conversations opened referral opportunities. A friendly, reliable presence made introductions feel natural.

SUMMARY

Customer focused **insurance sales** professional with hands on experience supporting client relationships, prospecting activities, needs based product conversations, and organized follow up. Builds trust through clear coverage explanations, responsive service, accurate records, and dependable communication. Current work includes customer needs assessments, insurance product discussions, retention outreach, referral development, local community activities, and compliance aware conversations. Earlier **customer service** experience strengthened problem solving, account support, documentation, and service recovery in a busy environment. Holds a **Property and Casualty Insurance License** and an associate degree in Business Management. Brings a calm, practical approach to sales conversations, consistent attention to **customer needs**, and genuine interest in helping people choose suitable insurance solutions.

EXPERIENCE

- Sales Associate, Insurance Sales

Community Insurance Group

August 2025 - Present

Memphis, TN

Supports insurance sales operations through needs based conversations, prospect follow up, customer retention activities, local outreach, referral development, record keeping, and compliance aware product communication.

Conducted customer **needs assessments** and discussed suitable insurance products clearly.

Followed up with prospects and existing customers, supporting retention efforts.

Maintained organized sales records and tracked customer interactions consistently.

Explained **coverage options** and product information during customer conversations.

Supported **local outreach** activities and **referral development** with steady follow up.

Applied **product knowledge** and **compliance practices** during insurance discussions.

Customer Service Representative, Customer Support

Retail Services Center

June 2024 - July 2025

Memphis, TN

Provided high volume customer support through account assistance, service request resolution, accurate documentation, positive communication, promotional support, and consistent use of business procedures.

Assisted customers with account questions and service requests in person.

Documented customer interactions and maintained accurate records for follow up.

Built communication skills through steady, high volume customer support.

Resolved routine issues while preserving positive customer experiences.

Supported team **sales** initiatives and promotional activities during customer interactions.

Applied business procedures and customer relationship practices during daily service.

PROJECTS

Community Insurance Outreach

2026

Supported local outreach and referral development by explaining insurance products, listening to customer needs, and organizing follow up conversations for future sales opportunities.

Customer Follow Up Workflow

2025
