## SUMMARY

Dynamic leader with 6 years of experience in merchandising and operations management, dedicated to optimizing inventory control and enhancing financial performance. Proven success in developing strategic business initiatives while maintaining strong vendor relationships and overseeing contract negotiations. Passionate about fostering talent development and driving cross-functional collaboration for projects that align operational success with company goals. Possesses strong analytical skills for interpreting business trends and leveraging insights to inform planning and resource allocation. Eager to contribute innovative solutions that deliver exceptional customer experiences.

## EXPERIENCE

### Merchandising Operations Manager

Retail Solutions LLC 📅 March 2021 - Present 📍 Detroit, MI

Responsible for managing the development and execution of business strategies related to merchandising operations. Focused on improving inventory management while enhancing financial results by collaborating with various teams.

- Spearheaded inventory management strategies, achieving significant reduction in excess stock levels.
- Negotiated contracts with multiple third-party vendors, ensuring compliance and boosting operational efficiency.
- Analyzed sales data to shape merchandising approaches, resulting in impressive growth in quarterly sales.
- Integrated training initiatives to enhance team capabilities in merchandising best practices and operational excellence.
- Built a culture of accountability within teams, promoting integrity in business interactions.
- Oversaw performance metrics, enabling insightful decision-making for effective operational improvements.

### Senior Merchandising Analyst

Market Dynamics Inc. 📅 January 2018 - February 2021 📍 Cleveland, OH

Led detailed analysis and forecasting for a diverse retail product portfolio. Emphasized project management principles to streamline merchandising initiatives across departments.

- Managed financial forecasts and profit statements, driving actionable plans that improved product turnover rates.
- Formulated and executed inventory markdown strategies based on extensive market analyses.
- Oversaw vendor contract reviews to modify terms, ultimately enhancing profit margins.
- Applied project management methodologies to coordinate multiple merchandising programs effectively.
- Conducted workshops that improved collaboration among departmental teams and enhanced overall efficiency.
- Mentored junior analysts, supporting their professional development and retention.

### Merchandising Coordinator

Retail Ventures Group 📅 July 2016 - December 2017 📍 Indianapolis, IN

Supported the implementation of merchandising strategies designed to align with corporate targets while facilitating smooth operations through comprehensive inventory oversight.

- Executed merchandising programs aligned with corporate objectives, significantly contributing to sales increases.
- Assist with inventory processes, guaranteeing efficient stock management and orderly markdown procedures.
- Collaborated with marketing divisions to develop promotional content that drove product visibility.
