

Emily Johnson

Director of Product Management

 (217) 555-1234  emily.johnson@example.com  linkedin.com/in/emilyjohnson  1234 Elm Street, Springfield, IL 62701

STRENGTHS

-  **Effective Communicator**
Articulated complex product visions clearly to both executive teams and cross-functional partners. Became a reliable source for clarifying objectives during project phases.
-  **Team Builder**
Nurtured a culture of trust and collaboration within my teams. Team members expressed appreciation for supportive environment, contributing to overall higher engagement.
-  **Strategic Thinker**
Shaped actionable roadmaps grounded in strategic insights. Led sessions to brainstorm innovative solutions that align objectives with customer needs.
-  **Analytical Decision Maker**
Leveraged data analysis to back key decisions, which significantly improved user experiences in product features. Frequently called upon for performance reviews.
-  **Collaborative Leader**
Cultivated connections among teams for shared understanding of product vision, making collaborations smoother and more productive and strengthening cross-departmental ties.

SUMMARY

Dynamic product management professional with over a decade in leading teams to execute strategies in fast-paced settings. Proven capability to align business objectives with customer insights, resulting in actionable product directions. Experienced in guiding high-performing teams, nurturing talent, and fostering collaborative cultures. Adept at driving integrated roadmaps that ensure alignment across multiple departments. Committed to delivering successful product launches while maintaining oversight on team progress. Looking forward to bringing strategic leadership and innovative solutions to elevate company growth and enhance the customer experience.

EXPERIENCE

Director of Product Management

Tech Innovations Inc.  June 2019 - Present  Naperville, IL

Lead and mentor a dynamic product management team, focusing on strategy across various domains. Build strong cross-functional relationships to ensure timely and effective execution. Drive solid business cases for new projects, securing vital stakeholder support. Enhance team productivity through Agile methodologies.

- Own product strategy and integrated roadmaps while aligning them with business goals.
- Serve as the bridge between executive leadership and other departments for effective problem resolution.
- Develop a high-performing product management team by prioritizing talent development.
- Foster collaboration across teams to clarify and shape product direction.

Senior Product Manager

Creative Solutions Group  March 2015 - May 2019  Aurora, IL

Managed extensive product development initiatives for a prominent e-commerce platform. Enhanced user experience while driving conversion rate improvements through analytical insights. Worked closely with cross-functional partners to facilitate smooth product launches.

- Conduct thorough market research and gather customer feedback to inform product strategy.
- Develop and maintain partnerships across different functions to support product releases.
- Analyze performance data to uncover opportunities for further enhancements.
- Streamline workflows, resulting in more efficient product launches.

Product Manager

NextGen Enterprises  January 2013 - February 2015  Chicago, IL

Spearheaded the launch of groundbreaking products while collaborating with marketing and sales teams to ensure market alignment. Used data analysis to continuously improve both performance and features of existing products.

- Coordinate new product launches, ensuring readiness through effective teamwork.
- Gather essential data to analyze product performance and adjust features accordingly.
- Collaborate closely with marketing to design impactful promotional strategies.
- Create reports detailing product trends and consumer feedback.
