EXPERIENCE

Dishwasher

University Project 📅 June 2026 - Present 📍 Cape Coral, FL

- Focused on maintaining cleanliness and organization in the dish area to support kitchen operations. Engaged with team tasks to coordinate dish cleaning efficiently and uphold kitchen punctuality.
- Maintained a clean and organized dish area, enhancing overall kitchen efficiency.
 - Assisted in bussing tables, collecting soiled dishes directly, streamlining the cleaning process for peak times.
 - Ensured an ongoing supply of clean dishes and utensils, meeting the demands of busy meal periods.
 - Executed food safety procedures consistently, guaranteeing hygiene standards throughout shifts.
 - Collaborated closely with team members in unloading and safely storing deliveries to support daily operations.
 - Performed thorough routine cleaning of kitchen tools and appliances as part of sanitation commitments.

Dish Machine Operator

Student Lab 📅 January 2026 - May 2026 📍 Fort Myers, FL

- Gained valuable experience operating dishwashing machinery effectively while mastering food safety protocols in a collaborative setting.
- Operated various dishwashing machines effectively, adhering to all established safety protocols.
 - Supported students and staff during peak hours by maintaining an organized dishwashing space.

MY CAREER

- Managed waste disposal and conducted garbage can cleaning diligently to elevate cleanliness levels.
- Developed strong communication skills through close partnership with diverse peers in the kitchen.
- Participated actively in training sessions about food safety regulations, ensuring optimal compliance.
- Assisted kitchen staff with daily tasks to enhance smooth operations during busy shift times.
