SUMMARY

Dedicated logistics professional committed to optimizing warehouse operations while ensuring safety and quality standards. Proficient in managing a variety of tasks, including order fulfillment, shipping procedures, and customer service support. With over three years in logistics, consistently enhance workflow by collaborating closely with cross-functional teams. Remain focused on precise execution, enhancing operational efficiency through problem-solving and organizational skills. Passionate about creating effective systems that foster teamwork, aim for consistent improvements within fast-paced environments, and actively seek opportunities for continuous learning and growth. Excited about bringing expertise to a new role and contributing as part of an accomplished team.

EXPERIENCE

Distribution Associate

Fictional Distribution Co. 📅 January 2025 - Present 📍 Los Angeles, CA

Oversee daily operations in a busy warehouse environment, prioritizing accurate order processing and safe handling. Foster collaboration with different departments to fulfill orders, ensuring smooth distribution pathways. Lead safety protocols, helping maintain a clean and organized workplace while meeting all compliance requirements.

- Ensure the swift pulling, packing, and shipping of over 300 diverse customer orders weekly.
- Collaborate directly with Customer Service to streamline requests, ultimately improving order accuracy by 15%.
- Maintain cleanliness and organization within workstations, adhering strictly to safety regulations; this effort helped achieve a notable reduction in workplace incidents.
- Conduct quarterly inventory assessments, identifying discrepancies and swiftly implementing corrective measures to uphold stock integrity.
- Mentor and train newly hired associates in standard operating procedures, fostering a supportive team environment.
- Handle all administrative aspects related to shipping documents and shipment tracking efficiently.

Warehouse Assistant

Fictional Shipping Solutions 📅 June 2023 - December 2024 📍 Los Angeles, CA

Supported various warehouse operations to ensure the timely delivery of shipments and maintain efficient stock levels. Engaged in multi-tasking activities that solidified foundational logistics knowledge while enhancing teamwork and productivity.

- Processed incoming shipments accurately by receiving, unloading, and sorting items per established guidelines.
- Participated in product packing and labeling, achieving a remarkable on-time delivery record of 98% throughout tenured service.
- Promoted team success by working collaboratively, facilitating optimal workflow in a constantly active warehouse setting.
- Monitored inventory statuses and proactively communicated low stock situations to management for timely reordering.
- Took part in comprehensive safety training initiatives, reinforcing a secure workplace culture and strict adherence to health protocols.
- Utilized warehouse management software for efficient tracking of inventory and orders, ensuring accurate data-driven decisions.
