Hiring Manager
Syska Hennessy Group
Chicago, IL

Dear Hiring Manager,

I am eager to submit my application for the Electrical Engineer III - IV position at Syska Hennessy Group, a role that perfectly aligns with my professional journey and aspirations in the engineering landscape, showcasing my commitment and expertise in critical facilities projects over the span of more than six years.

Your mission of delivering exceptional engineering solutions resonates deeply with me, particularly as I have dedicated my career to crafting innovative designs while meeting rigorous industry standards, ensuring optimal system selections, and fostering collaboration among diverse teams of talented professionals.

Throughout my tenure, I led numerous projects where I meticulously crafted electrical systems that not only met client specifications but also adhered to LEED principles, enhancing energy efficiency and promoting sustainable practices.

My experience includes utilizing advanced CAD and BIM tools, developing system designs, and overseeing project timelines, allowing for a mix of technical creativity and project management that drives teams toward successful outcomes.

While I have often felt the weight of tight deadlines and complex projects, each challenge has only deepened my resolve and sharpened my skills, fueling my desire to contribute to your esteemed firm.

Thank you for considering my application.

Sincerely,

Jaylen Callahan
