SUMMARY

Dedicated Endoscopy Nurse with over three years of hands-on experience in high-pressure healthcare environments. Focused on delivering exceptional patient care, collaborating seamlessly with medical teams, and executing urgent interventions. Committed to maintaining the highest standards of nursing practice while continuously seeking professional growth and improvement. Experienced in monitoring patient conditions before and after procedures, ensuring accurate documentation, and effectively managing a smooth patient flow during endoscopic surgeries. Eager to bring expertise to new challenges while enhancing patient outcomes through committed care.

EXPERIENCE

Endoscopy Nurse

HealthCare Staffing Innovations 📅 January 2024 - Present 📍 Aurora, IL

Provide exemplary patient care within endoscopy units at a prominent hospital. Collaborate closely with healthcare providers to achieve optimal outcomes. Monitor and document patient conditions meticulously both pre and post-procedure, supporting rapid interventions as required.

- Deliver expert patient care during endoscopy procedures in a high-volume hospital.
- Collaborate with physicians and nursing teams to ensure optimal patient outcomes.
- Monitor patient conditions pre and post-procedure and document care accurately.
- Assist in urgent interventions and manage patient flow effectively.

Endoscopy Nurse

Nursing Solutions Inc. 📅 March 2023 - December 2023 📍 Springfield, IL

Delivered quality nursing care for various endoscopic procedures, prioritizing patient safety and comfort. Assisted with patient preparation and provided thorough education regarding post-care instructions.

- Provided high-quality nursing care in endoscopic procedures, ensuring patient safety and comfort.
- Assisted in the preparation of patients for procedures and educated them on post-care instructions.
- Documented patient assessments and collaborated with multidisciplinary teams to enhance care delivery.

Nurse Intern

Chicago Health Systems 📅 June 2022 - February 2023 📍 Chicago, IL

Supported nursing staff in a surgical unit, gaining substantial hands-on experience critical to future endeavors. Engaged in patient assessments alongside experienced nurses, actively participating in medical rounds.
