EXPERIENCE

Audit Team Member

University Project 📅 January 2026 - April 2026 📍 Springfield, IL

Collaborated on a university audit project focused on assessing financial records and compliance. Played a key role in identifying discrepancies and integrating feedback. Presented impactful findings showcasing process improvements and overall compliance.

- Conducted a comprehensive audit of university financial records, evaluating adherence to institutional policies and internal controls.
- Analyzed financial data to identify discrepancies, leading to actionable insights that enhanced departmental processes.
- Drafted a detailed audit report summarizing methodologies, findings, and proposed corrective actions for management's review.
- Engaged with university staff through interviews, gathering qualitative data to inform findings and recommendations.
- Utilized Microsoft Office tools effectively to organize data and create presentations, enhancing communication with stakeholders.
- Received commendations from faculty for clarity and thoroughness during presentation of audit results.

Research Assistant

Academic Research 📅 September 2025 - December 2025 📍 Springfield, IL

Assisted in research focusing on financial compliance best practices and contributed valuable insights. Gained hands-on experience in research methodologies while striving for superior outcomes.

STRENGTHS

Analytical Thinking

Applied analytical skills in assessing complex financial data during audits, regularly gaining peer recognition for abilities.

Report Writing

Crafted detailed audit reports that facilitated understanding of financial norms; frequently sought out by faculty for advice.

Communication Skills

Demonstrated exceptional verbal and written communication, leading presentations that conveyed critical findings clearly.

Team Collaboration

Collaborated within diverse teams during projects which strengthened collective problem-solving and workflow efficiencies.

Time Management

Successfully balanced multiple academic responsibilities, ensuring timely completion of audits and comprehensive reports.
